Nicholson Reports Seawall Repairs To Begin Soon

Clyde P. Nicholson, Town Engineer, said that a number of major projects are scheduled to begin early in 1947 and that there will be a decided increase in activities planned for his department during the coming year.

One of the most important projects, that of repairing the sea wall along the ocean front at the south end of the beach, will be started very soon. Sheet piling has been purchased, Mr. Nicholson said, and is expected to arrive very soon.

Reports of U. S. Army Engineers, who have been conducting an erosion survey, are expected in the near future. These reports will be submitted to the erosion board in Washington and results of their findings concerning the proper method of dealing with the problem at Virginia Beach should be received by February 1, he said.

The engineer's office will cooperate with the police and fire departments wherever possible in their forthcoming drive to reduce fire hazards at Virginia Beach. Mr. Nicholson has made a number of recommendations to Mayor H. Warfield Leake in this connection.

Mr. Nicholson said that the street department now is erecting additional traffic control signs and is planning to install parking meters before the summer season begins. Pedestrian walkways and parking lanes will be marked. Traffic lights will be installed as soon as authorized by the State Highway Department. This authorization is expected in the early part of January.

Laskin Road will be widened from west of the town limits to Atlantic Avenue.

Plans for beautification of the town through the planting of shrubs, trees and flowers are progressing. A master plan of beautification is being drawn up and some planting may be done before spring, Mr. Nicholson said.

"We are making a study of long range planning for the town," the town engineer stated, "making a list of projects that will be needed in future years in order that we may have them in mind so that we may deal with them in any way that may arise in the future."

To obtain tides of high or low water from above times: Lynnhaven Inlet, add 20 minutes; Ocean View, add 45 minutes; Old Point, add 45 minutes; Oregon Inlet, subtract 45 minutes.

Miss Verna Brown, a 4th year student at Mary Washington College, will return this week end after spending Christmas with her parents, Mr. and Mrs. George Brown in Oceana.

Mrs. Page Elected President at SPCA Meeting January 1

Virginia Beach, like other resort towns, had quite a postwar problem getting back into the swing of things. But overlooked until recently were the herds of stray dogs that wandered into the town from nearby Camp Pendleton and Fort Story, between which it is situated.

As at all Army camps, GI's stationed at the two reservations had a habit of picking up stray dogs which waxed fat as troop mascots until the inevitable movement overseas or to other stations. Eventually, Camp Pendleton was abandoned completely so the strays found the nearby resort to their liking until they landed in the housework, more officially known as the dog pound.

Those dogs serving their stint at Fort Story likewise found the going tough when the war ended and likewise sought refuge in the town until they too suffered the same fate as their flea-bitten mates from the south end of the town. However, there is still some activity at Fort Story and the canine rosters are not depleted by any means.

A horse-loving community, Virginia Beach also has a warm spot for "man's best friend," especially when a group of the town's fair sex decided that officials at the dog pound weren't doing all that they could for the unwilling inmates.

They took their complaint to the Town Council, but were advised that while funds were available for public welfare, close examination revealed the council was powerless to aid the displaced dogs.

Undaunted, a movement was started and resulted with the announcement that a Virginia Beach Society for the Prevention of Cruelty to Animals has been organized.

Dog Hotel Planned
An organization meeting of the Society was held in the show room of the Herb Holt Motor Co. at 21st and Pacific Ave. at 11 a.m. on January 1 for the purpose of electing permanent officers to serve the recently formed organization.

Mrs. R. Lee Page was elected president to replace Mr. Haycox who was the temporary leader of the group. Mrs. W. S. Wilder was elected vice president; Mr. H. A. Holt, Jr. Secretary and Mr. George T. Mullen treasurer.

The following members will serve on a Board of Directors: Fred A. Haycox, Ernest Harden, R. Lee Page, Grayson Willis, E. H. Church, R. A. Jones, E. Blumenthal and Cecil F. Meers.

Two matters which were under discussion at the first meeting were the appointing of a committee to look into the matter of obtaining a permanent shelter for animals on the beach and the possibility of applying for affiliation with the National organization of S.P.C.A.

No regular date for future meetings will be set but will be held at the call of Mrs. Page, president.

Plans for work during the year will be formulated at an early meeting.

NOTICE

Please take notice that on the thirteenth day of February, 1947 the undersigned will apply to the Virginia Alcoholic Beverage Control board for retail license to sell wine and beer for off premises consumption at Whitehurst Market, 17th and Cypress Ave., Virginia Beach, Va. W. G. Whitehurst R. S. Whitehurst

Mr. and Mrs. Raymond Pritchard entertained Saturday evening at an at home from seven thirty until nine thirty in honor of their son and daughter-in-law, Mr. and Mrs. Raymond Pritchard Jr., whose marriage took place recently. The guests numbered about sixty.

Highlights In The Headlines Of 1946

In scanning the files of THE NEWS to pick out the highlights of events in 1946 it was interesting to note the few real tragedies experienced by the community as a whole.

The summer season could have been more auspicious for vacationists but that, too, was beyond human control.

Successful Campaigns

Every campaign undertaken in the community was a success. The report of the TB Seal Sale (the 1945 project) over sold the previous year.

Clairborne Bryant and his committee over-subscribed the allotted quota in the Victory Bond Drive.

The Needlework Guild received 389 articles and Claude Bell engineered the Victory Clothing Drive to successful climax with 5 tons of clothing. H. W. Chaffee succeeds with the Community Fund Drive and the March of Dimes hit a high of 2,362.

From all accounts, even the BUY AT HOME campaign conducted by the NEWS was a success.

Hotels Change Hands

In February the Cavalier Hotel after several years of use by the Navy, was returned to its former civilian status. The Warner Place also reverted to general civilian use, and the Hardings sold the New Waverley Hotel.

Among other hotel and real estate changes was the sale of the Essex House and the transfer of the Martha Washington Hotel. The Driftwood Cottage, The Homestead and Murrays also

changed hands during the course of the year.

Beach Franchise Kicked About

One of the hard fought battles in the Council was the question of a beach franchise. In Feb. the hotel operators protested a franchise, in March the Council voted to adopt the plan and asked for bids. In April a temporary injunction halted the acceptance of the high bidder (\$10,000).

A sixty day deferment was ordered in June and the Virginia Beach Life Guards patrolled the beach and rented beach equipment, being taxed per unit of equipment by the Town.

Politics In The County

In May Floyd Kellam was appointed judge to succeed the late Judge B. D. White in the 28th district court. R. A. Jones, W. W. Elliott, W. F. Patton, H. A. Holt, Jr., and Wm. McClanahan won the election to the Council of the Town of Virginia Beach in June and the general election in August put Porter Hardy in Congress with a vote of 4 to 1 in Princess Anne.

In Brief

Other events in brief may be summed up under the head of Miscellaneous Events. The State Rose Show held at the Cavalier Hotel in May drew a crowd of over 2,000.

Russell McCoy resigned the post of Town Engineer and was succeeded by Clyde Nicholson.

July 27 saw the celebration honoring the veterans of Princess Anne County.

Governor Tuck asked for an investigation into the report of

open gaming and slot machines at the Beach. Judge Kellam's jury failed to find a true bill and the case was closed for the time.

A later investigation by State Police officers was made and the night spots were closed. 18 arrests were made and much equipment is reported to have been confiscated.

In October the Council accepted the one proffered bid for the installation of gas lines to pipe cooking gas into Va. Beach.

Under the leadership of E. B. Bayne and W. H. Phillips the first successful party was held on the community playground in the nature of a Halloween party, when over 2,000 were in attendance.

In November Mayor W. W. Elliott suffered a fatal heart attack. Members of the Council appointed H. Warfield Leake to fill the vacancy as Mayor of the town. Fire destroyed the Old Church at London Edge in November.

Christmas 1946

Elaborate music programs filled churches and another community party was held at the playground. This time with Xmas tree and Santa Claus. New Year's eve ended 1946 on a very quiet note, according to members of the Virginia Beach Police and Fire Department. Outside a few "watch" parties in private homes.

The Cavalier Hotel and Country Club, the Princess Anne Club and Officers' Club at the Port, all was quiet.

1947 was ushered in with little fan-fare and little noise but with wind, rain and a promise of cold weather in the offing.

JARVIS — COULSON

Announcement is made of the marriage of Miss Jean Elizabeth Coulson, daughter of Mr. and Mrs. W. Ramsey Coulson of Baltimore, Md., to Charles Lindsey Jarvis (Jr.) son of Mr. and Mrs. William T. Jarvis of the Beach.

The wedding took place in the Presbyterian Church in Rockville, Md. on December 30 at 1:30 p.m.

Miss Barbara Bartlett of Washington, was maid of honor and Garland Atwater, of Virginia Beach was best man.

The bride was attired in a grey wool dress and hat with black accessories. After February 6 Mr. and Mrs. Jarvis will make their home in Baltimore, Md.

The wedding took place on the 45th wedding anniversary of the groom's parents, Mr. and Mrs. W. T. Jarvis.

BAYNE ANNOUNCES RIGID FIRE ORDINANCE INSPECTION HERE

Mrs. Sidney Kellam To Head County March of Dimes

Mrs. Sidney S. Kellam has been appointed as Director of the 1947 "March of Dimes" campaign in Princess Anne County for funds to fight infantile paralysis. David Tennant Bryan, State Campaign Chairman, announced recently, Mrs. Kellam will be one of 107 volunteer Campaign Directors who will unite in the 9th annual campaign sponsored by the National Foundation for Infantile Paralysis. The campaign appeal is scheduled for January 15th to 30th.

In announcing Mrs. Kellam's appointment, Mr. Bryan called attention to the "real need" existing among our Virginia Chapters for funds to build up their reserves. The heavy expense of helping to care for the more than 120,000 infantile paralysis cases in Virginia in the past three years has exhausted the treasuries of some Chapters and run others to a dangerously low point.

Only three Counties in Virginia — Brunswick, Charles City, Craig Highland, Isle of Wight and Mecklenburg — have escaped infantile paralysis in the last three year period. The other 97 Counties and all of the larger cities have reported many polio patients.

One half of all funds raised in the March of Dimes appeal goes to the National Foundation for Infantile Paralysis for epidemic aid research and education. The other half remains in the locality for treatment of local polio victims and the purchase of equipment for Virginia medical institutions.

Princess Anne County, which contributed \$3,150.11 in the 1946 appeal has reported 5 polio cases in the past three years.

Bank of Va. Beach Announces Raise In Savings Interest

Marking what is believed to be a new trend in attracting savings accounts, the Bank of Virginia Beach will pay one and one-half per cent interest on savings up to \$2500 with the usual one per cent for interest-bearing deposits over that amount.

E. H. Church, president of the bank, said the action was taken at a meeting of the board of directors Thursday night and explained that it was primarily in the interest of small depositors. He added further that it was his opinion that interest on savings will be increased by other institutions, especially since the Bank of America took the initiative in upping its interest payments from one to one and one-quarter per cent also effective January first.

It was announced that the board of the Virginia Beach Bank had voted a Christmas bonus, amounting to one-half of one month's salary, to officers and employees, in sharing an income which was described by Church as much greater than was anticipated for the first full year of operation. The bank was opened on June 5, 1945.

Church reported that the usual semi-annual three per cent dividend authorized on November 5 had been fully paid to stockholders of record.

Oceana PTA Gives Mock Wedding

Under the auspices of the Oceana P.T.A. a Tom Thumb Wedding will be staged at the Oceana High School, Friday, January 17 at 8 p.m.

The affair is for the benefit of raising funds for the purchase of a piano for the school. Mrs. Charles W. Hitchings is chairman assisted by Mrs. Maurice McKenney.

Upon the authorization of the Mayor, H. Warfield Leake, and H. A. Holt, Jr., Chairman of the Virginia Beach Police and Fire committee of the Town Council a thorough fire inspection will be made by E. B. Bayne, of all hotels rooming houses in the Town of Virginia Beach. Fire ordinances were passed by the Council and copies mailed to all hotel operators in the fall. Warnings have been issued that a strict compliance to ALL regulations will be enforced.

An inspection blank in triplicate form will be filled with the Police and Fire Department who will be authorized to check any irregularities and where a continued violation of the fire ordinance is in evidence either a fine or a closing of the establishment will be incurred.

Outside Exits a Must

Rooming houses with guests on the third floor must have an outside fire escape. April first is the deadline for this addition where lacking and, according to Mr. Bayne, any place housing guests on the third floor where a fire escape is lacking will have the floor in question closed off until compliance with the ordinance is met. It is also understood that a list of such places will be made public.

Mayor Leake and the Police and Fire departments are anxious to safeguard the lives of the residents and visitors at the Beach and are urging all operators to comply, voluntarily, with the ordinances passed and avoid any recourse to legal action for indifference to rules and regulations of the Town.

Norfolk Southern Adds New Buses

E. M. Fletcher, vice president and general manager of the Norfolk and Southern Bus Corp., has announced the long awaited arrival of ten new buses. There are five ACF-Built, air-conditioned, 37 and 41 passenger vehicles and five General Motors, Diesel-powered 33 passenger buses.

The ACF buses, whose air-conditioning makes them more suitable for longer trips, are being placed on runs to the more desirable points served by the company, and the GM buses are to be used on the shorter runs, according to E. M. Fletcher.

Norfolk Southern drivers recently brought the new buses to the garage near Chesapeake Heights in Norfolk. The GMs, driven from Toledo and the ACFs from Philadelphia, were highly praised by the veteran drivers who brought them in.

The delivery of five more new buses is expected in February and sometime between February and May another 15 should arrive.

These twenty vehicles will be General Motors Deales, 10 of them air-conditioned, 37 and 41 passenger buses to be placed on the Virginia Beach run, and the other 10, city type, hydraulic transmission buses to go in service on routes serving Broad Creek Village, Norview and Fox Hall.

Fletcher said that the company had about half a million dollars worth of bus equipment on order and that approximately \$100,000 in shop equipment had already been installed at the bus corporation garage.

Following its war time transportation effort, the bus company, according to Fletcher, is now devoting every effort to the betterment of its transportation facilities for the post-war traveler.

GALLIE AUXILIARY MEETS

Mrs. Roland Thorp, president, announces that the Women's Auxiliary of the Gallie Episcopal Church will meet in the Parish House Tuesday, January 7 at 11 a.m.

Mr. and Mrs. Lowry D. Pinkey entertained Monday evening at the Princess Anne County Club at a buffet supper. The guests numbered about one hundred and fifty.

THE OLD JUDGE SAYS...

OLD JUDGE: "Jerry, the folks up at the hospital asked me to come down and talk to you about heading up the hospital drive. How about it?"

JERRY: "I feel honored, Judge. But there's one thing I'd like to see done."

OLD JUDGE: "What's that, Jerry?"

JERRY: "When they build the new addition I'd like to see them include a clinic for the treatment of chronic alcoholics. The time has come, Judge, when every enlightened community should realize that alcoholism is evidence of a disease that's just as real

as any other. Scientists have proved by research it must be treated professionally. You've got to get at the underlying causes of the alcoholic's abnormal behaviour."

OLD JUDGE: "Don't worry about the clinic, Jerry. The plans are all prepared and the Board has already talked to a young, up-and-coming doctor who has studied alcoholism at one of the big universities. As soon as the clinic is ready, he'll come here and take charge."

JERRY: "That's fine, Judge. You can count on me now that we're going at this thing sensibly and scientifically."

"I'll be fired for that fool story!"

The managing editor of the *New York Herald* took a day off on December 21, 1879. So this headline in his paper hit him without warning.

EDISON'S LIGHT—
IT MAKES A LIGHT, WITHOUT GAS OR FLAME!

The public promptly shouted "hoax!" Scientists called Edison crazy. And our shocked, angry editor expected to be fired.

But he wasn't. Eleven days later, Thomas Edison held a unique New Year's party in his laboratory at Menlo Park, New Jersey, and invited the world to see his "flameless light." Thousands came and were convinced. The incandescent lamp was real.

Soon small companies were bringing the benefits of Edison's newfangled lamp to the people. Engineers and business men poured in their energy and time... risked their own savings... overcame

all kinds of obstacles... broadened and improved the service.

Government didn't do the job. Individuals did. And in the process, they created jobs for many thousands of Americans, as well as a great new service for many millions more.

When Edison opened the first power-plant in 1882, electricity cost 25c a kilowatt-hour. This year, as we mark the 100th anniversary of the great inventor's birth, the average price of household electricity across the country is only 3 1/3c per kilowatt-hour.

Thanks to Edison's imagination and enterprise—thanks to the courage and initiative of many men and women, working under the American business system—this country enjoys the most and the best electric service in the world. And all our lives are richer, safer, more productive.

Virginia Beach News

A Journal Devoted to the Interests of Princess Anne County and the State of Virginia

Vol. 22 — No. 10

VIRGINIA BEACH, VA.

FRIDAY, JANUARY 10, 1947

SINGLE COPY 5c, \$2.00 PER YEAR

Strict Observance of Fire Ordinance Ordered Here

Following on the heels of the proposed fire inspection of all hotels and rooming houses at Virginia Beach, the Town Council in regular session Monday evening adopted an emergency ordinance requiring all hotels, rooming houses, shops and other places of business at the resort to install fire extinguishers so as to meet with the safety requirements of the fire inspector's office.

The measure also authorizes a survey by the fire inspector or other officials of the fire department for defective wiring, which also is mentioned in the ordinance. Recommendations of these authorities will be followed or fines between \$10 and \$100 will be assessed. The ordinance, passed on a motion of Councilman H. A. Holt makes each day's violation a separate offense.

Interest in Animal Problem

Mrs. R. Lee Page, president of the newly organized Virginia Beach Society for the Prevention of Cruelty to Animals, appealed to the council for cooperation in setting up a temporary shelter for stray animals, and announced that a movement was underway for establishing a veterinary hospital at the beach. She introduced Dr. Edwin A. Schott, now on Army terminal leave, who has agreed to head a cat and dog hospital.

Mrs. Page was promised full cooperation, and the matter was referred to a committee charged with studying the problem, in which Mrs. Page said there was considerable interest.

Dr. Schott, an Army veterinarian, will take up residence at Virginia Beach in about two weeks, he said. He saw service with the Third Army in Germany and was released with the rank of captain. He is now residing in Norfolk.

Tax Officer At Town Hall To Aid In Filing 1946 Tax

R. A. Jones, Town Clerk, announces that a representative of the office of Collector of Internal Revenue will be at the Town Hall the entire week of January 13 for the purpose of assisting farmers and merchants in making their tax returns.

Mr. and Mrs. J. Goodenow Tyler, Jr., announce the birth of a daughter, Jane Allen, Tuesday, Jan. 7th at the Norfolk General Hospital.

Beach Merchants Meet To Form Organization

Responding to an invitation from R. B. Taylor, president of the Virginia Beach Chamber of Commerce and prominent civic leader in Virginia Beach, approximately 50 merchants and businessmen from the resort and from Princess Anne County met at the Town Hall on Thursday night last week to discuss plans for the organization of a business men's association to function in a capacity similar to that of a retail merchants association.

After considerable discussion concerning the aims and purposes of the organization, which was described as a medium through which merchants and businessmen of the town and of the county could discuss mutual problems and evolve methods of improving business services and conditions generally, a committee composed of Frank Kellam, R. B. Taylor, John Bell, Harold Freeman and Kermig Land was appointed to formulate a charter, or to outline the general policy of the organization, and to select a title which would include all business men from all types of establishments.

Meetings Of The Methodist Women

The Women's Society of Christian Service of the Virginia Beach Methodist Church held the first meeting of the New Year on Wednesday, January 8 at the church. This was an all day meeting with the four circles meeting individually in the morning.

After luncheon there was a business and devotional meeting of the entire organization presided over by Mrs. Aubrey Holmes newly elected president.

Beasley Bible Class

The Beasley Bible Class of the Virginia Beach Methodist Church met Thursday evening, January 9, at the home of Mrs. G. C. Manson. Mrs. Lloyd J. Ward is president of the group and Mrs. W. O. Beasley, teacher. A large group was present.

Hospitalization Service Grows By Over 5,000 in 1946

Re-electing all directors, the board of the Tidewater Hospital Service Association, in annual meeting recently, reviewed activities of the last fiscal year and received an encouraging report that a steady increase in enrollment is anticipated during the coming 12 months.

Directors continuing in office are Dr. Julian L. Rawls, president; Dr. Walter B. Martin, vice president; William R. Lowe, secretary-treasurer and managing director; John D. Corbell, W. Grant Revell, David Fender, R. L. Sheetz, Gaston S. Foote, Judge Lawrence W. T'Anson, H. G. Parker, Abner S. Pope and James Mann, Jr.

Lowe, in his annual report as managing director, said that over 5,000 subscribers were enrolled during the fiscal year ending September 30, bringing the total enrollment, including dependents, to record high of 35,930.

NOTICE

Please take notice that on the thirtieth day of January, 1947 the undersigned will apply to the Virginia Alcoholic Beverage Control board for retail license to sell wine and beer for off premises consumption at Whitehurst Market, 17th and Cypress Ave., Virginia Beach, Va.

W. G. Whitehurst
R. S. Whitehurst

Local Red Cross To Hold Business Meeting Jan. 21st

The annual business meeting of the Princess Anne County Red Cross will be held Tuesday evening, January 21 at 6:30 p.m. in the Presbyterian Church, 36th and Pacific.

Dinner will be prepared by the Canteen Corps. Mrs. Martha Hull is chairman of this committee.

H. W. Chaffee, chapter chairman, will preside over a short business meeting following the dinner and will hear the report of Sidney Kellam, chairman of the nominating committee. The 4 will be the election of officers for the coming year.

Entertainment Planned

As an entertainment feature there will be negro spirituals sung by Mr. D'Koven King will demonstrate the art of Slight of Hand and Mr. Joseph Spruill will show technicolor movie films of Virginia Beach.

Public Invited

The public is invited to attend and reservations for the dinner may be made by calling 938. A small charge will be made for the dinner.

Reserves Organize Va. Beach Unit

Activation of a Virginia Beach Battery among a group of 29 units throughout Virginia, the first to be activated under the plan for the postwar Organized Reserves, was announced recently by Colonel Alfred S. Knight, Senior Instructor, Organized Reserves, Virginia Military District.

The Virginia Beach unit is the 881st Coast Artillery Battery (155 mm Guns) commanded by Captain Henry W. Andermann 409 Twenty Sixth street. Captain Andermann attended the Field Artillery Service School at Fort Sills, Okla.

Other officers assigned to this unit are: First Lieutenant O. M. Creekmore Jr., Executive Officer; 1st Lt. Arthur Nouer, Norfolk, Executive Officer, and 1st Lt. Jack C. Elise, Norfolk, Assist. Executive Officer.

AMERICAN LEGION TO MEET

Post 113 of the American Legion will hold the next meeting on Thursday, January 16 in the Legion Hall, according to an announcement by the Post Adjutant.

Nicholson Speaks At Beach Garden Club Meeting

The Virginia Beach Garden Club met Wednesday afternoon at the home of Mrs. Edward M. Hardy on Avenue C. Mrs. Preston Hix, president, presided. Mr. Clyde P. Nicholson, Town Engineer, gave a talk on "The Beautification of Virginia Beach."

The exhibits for this month which were judged by Mrs. J. R. Pritchard of the Princess Anne Garden Club, were "Arrangements of Greens for Occasional Tables." Mrs. Peyton May won the blue ribbon, Mrs. James N. Bell, Jr. won the red ribbon and Mrs. Greyson Willis, the yellow ribbon.

The winner of the Christmas Doorway Contest was announced to be Mrs. James N. Bell, Jr. Mrs. Emmett Kyle was voted an honorary member of the Virginia Beach Garden Club.

Following the meeting, tea was served.

Deaths

J. Stephen Higham, 78, died at the home of his daughter, Mrs. A. Stanley Mundy on Holy Road & Ave. B, December 27, 1946.

Born in Yorkshire England, Mr. Higham came to this country at the age of 15 years. For 50 years he was connected with Lord, Day and Lord in New York. Upon retirement five years ago he came to Virginia Beach to make his home with Mr. and Mrs. Mundy. The funeral was held in the Keiser Funeral Home in Plainfield N. J. on December 30 with burial in the Hillside Cemetery. He is survived by his wife, Mrs. Emma C. Higham and one daughter, Mrs. Stanley A. Mundy. Mrs. Higham will continue to make her home with her daughter and son-in-law.

Mrs. Mattie Anne Farrell — Funeral services for Mrs. Farrell, who died at her home in Norfolk, were conducted at the Holman-Brown Funeral Home Tuesday, January 7 at 2 p.m. by the Rev. Roy Peterson, pastor of the Virginia Beach Baptist Church. Burial was in Forest Lawn Cemetery.

Mrs. Farrell was the sister of Mrs. B. F. Dixon of the Mercedes Apartments and the sister-in-law of Mrs. G. C. Manson of Virginia Beach.

Plans For Tom Thumb Wedding Completed

Plans have been completed for the Tom Thumb Wedding to be held at the Oceana High School Friday, January 17 at 8 p.m. as announced by Mrs. Charles Hitchings and Mrs. Maurice McKenney co-chairmen for the entertainment.

The funds realized will be used for the purchase of a piano for the school and the entertainment is sponsored by the Parent Teachers Association. Approximately 50 students will participate in the affair.

Student Choir and Cast

There will be a choir consisting of children from the first and second grades with soloists Esther Cando and Theresa Cando.

Amber Rau has been chosen to play the role of bride, Michael Vanture will be the groom, Bobby Richardson has been cast as the minister, Edith Mary Darden will be the maid of honor and Arlan Van Horn will be the best man. Joe White, III has been selected as ring bearer.

Other members of the cast include: Myra McKenney, Preston Supplett, Ann Lee Voliver, Paul Wyatt, Tommy Lewis, Nancy Cogswill, Sandra Milligan, Dan Hill, Patsey Goodwin, Bill Braithwaite, Annette James, Felix Reeder, Eleanor Morrison, Susan Brown, Barbara Durham, Carrie La Rue, Jane Smith, Virginia Ingram, Cullen Davis, Douglas McCord, Richard Kaufman, Warren Hilteschew, Tommy Bradt, Stockton Wolcott, Patsey Johnson, Patsey Hitchings, Dale McCannan, Melva Grimstead, Mary Lou Cade, Deanna Gallup, Clyde Whitehead, John Elger, John Ray Potter, Billy Smith, Mary Lou McKenney, Gayle Harris, Frankie Coleman Richard Smith and Tommy Richardson.

Mrs. Charles Hitchings will direct the program and arrangements.

OLIVER HONORED AT V.P.I.

Mark L. Oliver, of Lynnhaven, president of the VPI German Club, was elected president of Virginia Tech's civilian student body and initiated into the college's chapter of Omicron Delta Kappa, national honorary leadership fraternity, in a week which saw new officers and initiatives chosen by three leading campus organizations.

March of Dimes Drive Gets Under Way Jan. 15

Book Study Group To Hear Review of "The Egg And I"

The Book Study Group of The Women's Club of Princess Anne County, under the direction of Mrs. Anthony, will meet at the Essex House, Tuesday, January 14 at 12 o'clock. Mrs. Lester Parsons of Norfolk will review "The Egg and I" by Betty McDonald.

Mrs. Anthony announces that the Club now has 16 books which are at the disposal of the members and she urges all members to attend the meeting of the group.

Regular Club Meeting

Following the Book Study Group there will be the regular luncheon of the Women's Club at 1:30 p.m. followed by the usual meeting. Mrs. B. M. Stanton, chairman of International Relations, will introduce Comdr. L. W. Parrish, navigator of the Midway who will speak on Guatemala and Antiqua and will show moving pictures of interest of Central American countries.

P. A. Garden Club Members Guests At Oyster Roast

The Princess Anne Garden Club will hold the January meeting at the home of Mrs. John B. Dey, Broad Bay Manor, in London Bridge, George W. Dan, State Forester of Virginia will be guest speaker and his subject will be "Conservation Fire Prevention."

Flowers and shrubs blooming indoors and out of doors will be exhibited. Miss Elizabeth Gregory Hill, president will preside.

Oyster Roast

Mrs. John Dey, hostess for the meeting, has extended an invitation to all members of the Princess Anne Garden Club to an oyster roast previous to the meeting. All members are requested to be at Mrs. Dey's promptly at 12 noon.

Hobeck Reports Successful Liquor Raids in County

Virginia Beach and Princess Anne County police raided two county establishments last Saturday night, arresting Joseph Cesar operator of the Bluebird Inn on the Virginia Beach Boulevard, and Buddy Prool, operator of a garage at 2302 Shore Drive, Police Chief C. E. Hobeck this week announced. Both were charged with illegal sale of whiskey.

Chief Hobeck said that a quantity of whiskey was seized at both places. Princess Anne County Policemen Moore, Belcher, Simons and Godfrey and Virginia Beach Policemen Halstead and White conducted the raids.

Woodall Goes On Naval Cruise

About 50 officers and 500 enlisted men of the Naval Reserve will leave Norfolk January 6 aboard the 45,000 ton battleship Wisconsin for a two week training cruise to Panama and Cuba. Roland M. Woodall, chief boatswain's mate, of 307 23rd St. is among the men making the cruise.

The men participating in the cruise will perform the duties of their rates and specialties which will enable them to maintain the efficiency gained through wartime experience.

Reservists making the cruise will be given full pay plus transportation costs to and from Norfolk.

After a two day stay in Panama the super dreadnought will proceed to Guantanamo Bay, Cuba, where two day sunbathing exercises are scheduled. All hands will be given liberty in Panama and Cuba.

The annual March of Dimes campaign will get under way on January 15 and last through the 30th.

According to Basil O'Connor, President of the National Foundation, the nation has just undergone the most devastating paralysis epidemic in 30 years with more than 25,000 cases reported by December, and such a drain has considerably depleted the funds used to combat this dread disease. So much so that Mr. O'Connor says that at least \$25,000,000 must be raised in the 1947 March of Dimes. The sum of \$4,000,000 set aside in 1946 was exhausted by November 13 and additional funds had to be drawn from the General Fund's Reserve. Princess Anne Cases

Mrs. Sidney Kellam, 1947 March of Dimes Campaign Director of Princess Anne County, states that while the number of infantile paralysis cases in this area never reached the epidemic stage, the Princess Anne County Chapter has had to draw heavily on its resources to aid the ones who were stricken. Since June 1, 1946 nearly \$1,700 has been spent on the care and hospitalization of these patients, two of whom are still receiving treatment in dePaul Hospital in Norfolk and need the chapter's continued support. Mrs. Kellam wishes to emphasize Mr. O'Connor's statement that a successful 1947 March of Dimes campaign is most urgent.

Burcaw To Speak At Dimes Meeting

Robert A. Burcaw, State representative of the National Foundation of Infantile Paralysis, will address the members of the Princess Anne Chapter at a meeting Wednesday, January 15, to be held at 10 a.m. in the assembly room on the second floor of the Presbyterian Church, 36th and Pacific Ave.

Mrs. Sidney Kellam, 1947 March of Dimes Campaign Director, is very anxious for a full attendance at this meeting as final plans for the 1947 drive will be made.

Baptists Extend Thanks For Help

Members of the Baptist Young Peoples Training Union who undertook to play Santa Claus to a needy family in Princess Anne County wish to express appreciation to those who responded to the request for gifts. Food and toys were purchased with the monetary gifts and sufficient good clothing was contributed without the purchase of the needed garments. One of the toy dealers in Virginia Beach generously donated additional toys when he learned for whom the purchases were being made.

The family was most grateful and well deserving of the aid given them and the children in the family were enabled to start attending school again.

Oceana Cavaliers Basketball Game Set For Tonight

The Cavaliers of Oceana High School will play the Blue Pilots of Norview on Friday, January 10 at 7:00 p.m. on the Oceana Basketball court.

The girls game will begin at 7:00 p.m. and the boys tilt will begin at 8 p.m.

The Oceana Teams have been playing a fast moving schedule since the reopening of school. On Tuesday January 7, the Cavaliers lost a hard fought game by 28 to 23. The girls lost their game with the score 17 to 23.

Wednesday, January 8, a tripartite header basketball game was played in the Oceana Gymnasium.

THE OLD JUDGE SAYS...

HARRY: "I don't know what they'll weigh up, Judge, but my cattle and poultry sure have been getting fatter since I started to use distillers' dried grains in their ration."

OLD JUDGE: "You're about the tenth one who has told me that, Harry. How do you account for it?"

HARRY: "The by-product recovered from grains used by distillers is very high in vitamin and protein content. It's the best feed supplement we can get to balance the rations we feed our dairy cows, livestock and poultry. Mixed with original grain, these dis-

tillers' dried grains have a much greater feeding value than the original grain has."

OLD JUDGE: "Have any trouble getting all you need?"

HARRY: "Yes, at times, even though the distillers produce 1,200,000,000 pounds of it for the year ending last June. I hope they'll be in a position to produce a lot more next year."

OLD JUDGE: "Then I guess nobody can tell you grain is wasted in distilling."

HARRY: "Not me, Judge... I know."

THE VOICE of a majority, carrying the course of government does not insure good government except it be the voice of a well-informed and well-intentioned people.

BEHIND THE SCENES IN AMERICAN BUSINESS by Reynolds Knight

New York, Dec 30 — This week American industry closes its books for 1946, and passes the year on to history. Looking back, business leaders see the year as having been satisfactory from the standpoint of volume of consumer goods, but disappointing from the standpoint of the consumer's dollar.

Looking ahead at 1947, industry leaders seem agreed on one point: the nation's retailers, distributors and dealers will have a more plentiful supply of goods. This means that the phrase "Sorry, we don't have any" will not be heard as often in 1947 as in 1946. And as the supply of goods of all kinds increases, competition for the consumer's dollar will grow keener.

A surprising number of industrial enter the new year with a forecast breaking backlog of orders. And a surprising number of these same industries believe they will lift their 1947 production to all-time peaks. They recognize that labor and management may have differences which could upset schedules again. But by and large they believe these differences will not be so sharp as they were in 1946.

ARE CONTESTS ON THE LEVEL?

A golden torrent of refrigerators, nylon, washing machines, radios, automobiles, wrist watches, toasters, luxury air tours, and \$10,000 certified checks—all for free—ascend again into the laps of Americans who have a flair for contests.

Are they on the level? Does each of the 60 million Americans who enter contests have a chance to win?

According to the Reuben H. Donnelly Corporation, which does the judging for 75 per cent of all the big time contests, contests are on the level. The little lady in Alaska has just as much chance to win an all-electric kitchen or \$5,000 a year for life, as the advertiser's brother-in-law... and a much better chance than members of the sponsoring or of the judging firms, who are automatically barred from entering contests.

"Contests today," says Henrietta Davis, Donnelly's contest manager, "are carefully scrutinized by the Post Office authorities. Furthermore, we at Donnelly have developed a rating scale that eliminates the personal factor in judging entries."

If you want to win, Mrs. Davis counsels, be sincere and to the point. Follow the rules. Don't write "sympathy" letters to the judges... and don't send in ghost written entries provided by so-called "contest bureaus." These are spotted, and screened out by the judges.

SHARE AND SHARE ALIKE is the rule of friendly parties, and party lines. If you're sharing a telephone party line, remember the other fellow. Try to keep your calls brief... space them at reasonable intervals... be prompt to answer. Your co-operation will help everybody get better telephone service. The Chesapeake & Potomac Telephone Company of Virginia.

door of the Court House of the said Court on or before the 15th day of January, 1947, succeeding rule day.

COMMONWEALTH OF VIRGINIA. In the Clerk's Office of the Circuit Court of the County of Princess Anne on the 9th day of December 1946.
RILLIE L. TREVETT, Plaintiff, against

BEATRICE O. TREVETT, Defendant.
The object of this suit is to obtain from the defendant an annulment of marriage upon the grounds that said marriage was never consummated.
And an affidavit having been made and filed that the defendant Beatrice O. Trevett is not

resident of the State of Virginia, it is ordered that she do appear here within ten (10) days after due publication hereof, and do what may be necessary to protect her interest in this suit.

IN THOUSANDS of rural and farm
homes throughout Vepco-land, families are
dreaming of the day when they, too, will be
able to enjoy the many comforts and con-
veniences provided at such low cost by elec-
tricity. They know that the best hired help
needed help . . . in the home, on the farm.

But most of the materials needed to make
your dreams materialize are still on the
list of critical shortages. We can generate
plenty of electricity, instantly. But we can't
"dig" it over the miles . . . it takes poles and
wires, meters and transformers and other essen-
tial equipment. These shortages vary from time
to time . . . sometimes we're missing meters, some-
times we're waiting on wire . . . but when they are
available, service is speeded to the very next customers
on our list!

Everybody wants electricity because it does so much for
so little. We hope YOUR dream will soon materialize!

WAITING FOR
ELECTRIC
SERVICE?

THREE NEW MEMBERS NAMED TO GALILEE EPISCOPAL VESTRY

Tuesday evening, January 14th, members of the congregation of the Galilee Episcopal Church held the annual election of men of the vestry of the church at a supper at the Pinewood Hotel. At this time the three retiring members of the twelve-man vestry, Mr. E. J. Smith, Mr. Carl Forsberg and Mr. L. B. Shelley, were given an ovation and an expression of gratitude for the services rendered during the past four years.

The following three new officers were elected to fill the places of the retiring members: H. Warfield Leeke, David Fender, Jr., and W. P. Dickson, Jr.

Mr. R. B. Taylor, Senior Warden of the church, gave a short but interesting account of the favorable condition of the church at the time. Mimeographed reports of the activities of the several departments of the church were distributed to those present.

Prices Lowered On New Ford Cars

John H. Bell, of the Virginia Beach Motors, Inc., received a telegram from the Ford Motor Company stating that "in a move to halt the spiraling of mounting costs and prices" they had reduced the price of every Ford car from \$15 to \$50.

Mr. Ford said the Company had a modest profit for the last three months of 1946, and intended to continue to operate in the black. He said that the millions of dollars lost since V-J Day had been accepted as "an item of the cost of a great and victorious war."

"Because they must build up depleted cash reserves or because they are still losing money, many businesses may not be able to follow suit," he said. "But we hope that our suppliers, our employees, and other economic partners will back, each to his own ability, our attempt to return to the economic pattern which has helped to make America great—the principle that higher wages and a higher standard of living for all depend upon lower costs and lower prices through increasingly large scale production." Mr. Ford further stated.

Jan. 21 p.m.	7:38	1:51
Jan. 22 a.m.	7:57	1:40
Jan. 22 p.m.	8:14	2:25
Jan. 23 a.m.	8:32	2:16
Jan. 23 p.m.	8:49	2:58
Days of Week	Sun Rises	Sun Sets
Friday	7:15	5:13
Saturday	7:16	5:14
Sunday	7:15	5:15
Monday	7:15	5:16
Tuesday	7:14	5:17
Wednesday	7:14	5:18
Thursday	7:13	5:19

To obtain tides of high or low water from above times: Lynnhaven Inlet, add 30 minutes; Ocean View, add 45 minutes; Old Point, add 45 minutes; Oregon Inlet, subtract 45 minutes.

A man arrested for stealing a car gave the novel excuse that he found it standing front of a cemetery and thought the owner was dead.

Club Raffles Dog For Dimes March

The January meeting of the Princess Anne Woman's Club was held at the Essex House on Tuesday, January 14th, with 72 members in attendance. Preceding the regular meeting of the club 27 of the members attended the book review meeting at which time Mrs. Lester Parsons of Norfolk reviewed "The Egg And I."

Business of the regular meeting was the appointment of Mrs. Stanley Crockett chairman of the annual card party and fashion show to be held on February 14th, and Mrs. B. M. Stanton chairman of the ladies who will be in charge of the theater booths for the March of Dimes which is now in progress. Mrs. Aubrey Holmes is general chairman for the club.

Dog Raffle Mrs. Clyde Absalom, whose son is receiving treatment for polio, made a dog which was raffled at the meeting and as a result of the raffle \$20.00 was turned over to the March of Dimes committee.

To Attend State Board

Mrs. Russell Hatchett, president, and Mrs. Wallace Clark, past president of the club, will attend the State Board of Women's Clubs which will meet in Richmond at the Jefferson Hotel next week.

Mrs. T. Davies, accompanied by Mrs. Chas. Hitchings at the piano, rendered several vocal selections.

Rhythm Band To Entertain At W. T. Cooke School

Plans have been completed for the entertainment by the W. T. Cooke Rhythm Band on Thursday, January 23rd, at 8 o'clock in the evening in the school auditorium. Forty-two children in costumes from the two sections of the second grade will take part in the program.

Selections of both light and semi-classical nature will be played in the concert. Solo work, novelty numbers, dances and dramatizations will be included on the program which is under the direction of Miss Margaret Potts accompanied by Mrs. Eloise Taylor at the piano.

Friends of the school are cordially invited to attend.

TAXI REGULATION—EH

Paul W. Ackiss, Jr., Commonwealth's Attorney for Princess Anne County, said last night that a bill introduced in the special session of the General Assembly yesterday by Sen. W. M. Minter, of Matthews, would permit Princess Anne authorities to license and regulate taxicabs.

Princess Anne is without constitutional authority as the present time to tax cabs, Ackiss said.

The Minter bill provides for the licensing and regulating of taxicabs in York as well as in Princess Anne counties.

F. E. Kellam Starts Eight Year Term

The General Assembly in session Monday confirmed the appointment of Judge Floyd E. Kellam of Princess Anne County. Judge Kellam was appointed last year to fill the unexpired term of the late Justice E. D. White presiding over the twenty-eighth Circuit Court. Judge Kellam was also elected to a new term of eight years beginning February 1st.

Barnes and Barcos Celebrate Fiftieth Anniversaries

Fifty years ago on January 24th Captain T. J. Barnes and Miss Mary Fannie Malbon were married. At the same time and at the same place Mr. Albert Barco and Miss Homie Batten were married. The two couples as young people lived in the same community and their friendship started in early childhood. This same deep friendship has lasted through the years as both couples make their home at Virginia Beach.

On Friday, January 24th, 1947, a golden wedding anniversary will be celebrated by Captain and Mrs. Barnes and Mr. and Mrs. Barco at the Cavalier Golf and Country Club. There will be a 25-pound wedding cake with all the trimmings. Rev. C. W. Carnan, Jr., will act as master of ceremonies. The hours for calling will be from 7 o'clock on. Mrs. Barnes said. Among the guests will be the seven children, seven grandchildren and two great grandchildren of Mr. and Mrs. Barnes, and four children and nine grandchildren of Mr. and Mrs. Barco, all of whom live at Virginia Beach.

Lynnhaven River Clogged by County Drainage Project

Unless the entrance to the Lynnhaven River is enlarged, the Princess Anne drainage project will tend to fill up the river further, a report to the Norfolk Chapter of the Isaac Walton League said.

Meeting at their Willoughby clubhouse Friday night, the chapter was told that the county project might divert the drainage from Pungo Ridge west into Lynnhaven River, and that the tidal current through Lynnhaven Inlet is not believed sufficient to carry off the extra deposit of silt.

Plans to enlarge the Wolfkrohn Gun Club in Princess Anne County in 1947 were announced by Robert B. Pinnix, who said competitive shoots at the club similar to that held in October were planned.

Bright To Instruct Class in County

M. G. Bright, former instructor of vocational agriculture and line time principal of Creeds High School, is organizing and will instruct a group of approximately 15 Princess Anne veterans in agricultural operation and management, according to an announcement released by F. W. Cox, superintendent of Princess Anne County Schools.

Classes will be conducted in accordance with the G. I. Bill and will consist of on-the-job training as well as classroom instruction, Mr. Cox stated.

Nicholson To Head '47 Red Cross Drive

H. W. Chaffee, chairman of the Princess Anne Chapter of the American Red Cross, at a recent meeting appointed Mr. Clyde P. Nicholson chairman of the 1947 Red Cross Fund Campaign drive.

Plans Underway for Business Association In County - Meeting Called for Thursday

PORTRAIT OF LATE JUDGE WHITE TO BE UNVEILED SATURDAY, 18th

A portrait of the late Judge B. D. White will be unveiled at fitting ceremonies at Princess Anne Court House on Saturday, January 18th at 11:30 A. M.

Painted by the Metropolitan Galleries in Norfolk, the portrait is a gift from friends and members of the Bar Association from Princess Anne County, Norfolk and Portsmouth and will be presented by Judge I. Anson of Portsmouth.

Miss Louise Luxford, a relative of the late Judge White, will unveil the painting.

Judge White served Princess Anne County for 46 years in the capacity of Judge. He received his first appointment as County Judge on January 1st, 1898. He was appointed Circuit Court Judge in 1908, which chair he occupied until his death in April, 1946.

The new portrait will hang in the Court Room at Princess Anne Court House.

Mrs. Harden To Entertain Club

Mrs. E. R. Harden, Jr., will entertain members of the Virginia Beach Music Club at their first meeting of the year, to be held on Friday, January 17th, at 3 P. M.

Mrs. Russell Gilmert will be co-hostess with Mrs. Harden.

Mr. Raymond Pritchard, program chairman, has announced that the subject of study throughout the year will be the dance forms of various countries. This month, dance forms of ancient classification and of the modern American forms will be studied.

"In addition," Mrs. Pritchard said, "each month throughout the year, we will study the emotional influence of composers on their works, in order to meet and to know these composers."

Mrs. Gilmert and Mrs. Harden will open the program with the presentation of the hymn of the month.

Banks Officer In Hotel Purchase

Sidney Banks, of the Cavalier Hotel, is among the officers of the newly formed Brighton Hotel Company which has taken over under lease, the Brighton Hotel in Atlantic City. David Stoneman of Boston will head the new company and plans are made to construct a private outdoor swimming pool and cabana club along the lines familiar to southern resorts.

The property was leased in a transaction involving more than \$2,000,000 and occupies more than seven acres of beach front.

VFW To Meet In Parish House

The Virginia Beach Post 7166 Veterans of Foreign Wars will meet next Thursday, January 23, at 8 P. M. in the Parish House at 18th and Atlantic.

AMERICAN LEGION TO MEET JANUARY 23rd

The American Legion, Post 113, will hold its next meeting January 23rd at the Legion Club.

Humane Ass'n Starts Drive for Operating Funds

"The Princess Anne Humane Association" officially was designated as a title for a recently inaugurated organization, composed of residents of Virginia Beach and Princess Anne County, to be patterned after the well-known Society for the Prevention of Cruelty to Animals.

This title was selected at a meeting held Friday in the show room of the Holt Motor Company. Mrs. William S. Wilder, vice-president of the organization, recommended the selection of a title less cumbersome than that of the Society for the Prevention of Cruelty to Animals, saying that the national organization formerly known by that title has selected a shorter one and now is known as the American Humane Association. A committee composed of R. Lee Page, H. A. Holt, Jr., and George T. Mullen selected the title of the "Princess Anne Humane Association," which unanimously was approved.

Mrs. R. Lee Page, president of the association stated that the principal business of the meeting was to approve the selection of a site for a small animal hospital and shelter and to provide ways and means of supplying the necessary funds for this purpose. It was decided that a campaign to raise the necessary funds would be instituted immediately. George T. Mullen, treasurer, stated that \$1,000 already had been subscribed.

Grayson K. Willis was appointed as chairman of a solicitation committee, to be assisted by Fred A. Haycox, Whit Sommers and R. A. Jones, as co-chairmen.

R. Lee Page, H. A. Holt, Jr., and George T. Mullen were appointed as a permanent finance committee.

The Board of Directors was enlarged to admit several new members elected at Friday's meeting. The board now includes Mrs. Floyd Dornier, Mrs. Waite Hill, Mrs. W. S. Johns and Mrs. Dwight Morgan. M. A. Haywood, Taylor Johnson, Fred Haycox, Ernest Harden, R. Lee Page, Grayson Willis, Sidney Kellam, Russell Hatchett, C. K. Johnson, Captain C. N. Gilmert, Irving Kline, F. S. Royster, Baxter Sparks, L. B. Shelley, W. P. Crockett, Claiborne Bryant, Charles Forbes, E. M. Hardy, George T. Mullen, Robert B. Simpson, Joseph Spruill, Wallace Clark, John E. Dev, John Johnson, James Jordan and Walter Maher.

Officers of the organization are: Mrs. R. Lee Page, president; Mrs. William S. Wilder, vice president; H. A. Holt, Jr., secretary, and George T. Mullen, treasurer.

Many restaurants and eating places at Va. Beach have installed the individual sets and your nickel or dime may bring forth Beethoven or boogie woogie. The arrangement of "industrial music" which Mr. Church has installed in the bank is selected music and is functioning 100 per cent with wholehearted applause and appreciation from those who enjoy it.

It is understood that the Camera Hotel is making plans for the installation of a similar arrangement in the Hunt Room within the next few days.

The Music Corp. of Virginia Beach, formerly Grov-Webb Associates, and Harris Music Company are the two frightened concerns at the Beach which are now equipped to make these installations.

Lt. Comdr. and Mrs. Philip Morgan left Sunday for their home in Annapolis, Md., after spending the holidays with Mrs. Morgan's mother, Mrs. Ruth Williams, on 52nd Street.

Miss Jane Robinson returned Sunday to Mary Washington College after spending Christmas with her parents, Mr. and Mrs. K. C. Robinson, on 52nd St.

The Rev. Robert Porrett will be absent from Virginia Beach all of next week while attending "Minister's Week" at his alma mater, Emory University, in Atlanta, Ga.

Major Robert Hand has left for Chicago, Ill., after spending Christmas with Mrs. Hand who is visiting her parents, Col. A. M. Hand, in Raleigh, N.C.

Mr. and Mrs. E. R. Bennisson of New Haven, Conn. arrived recently to spend a few days with Mrs. Bennisson's sister and brother-in-law, Mr. and Mrs. J. R. Adcock, at their home on 19th St.

Major and Mrs. Walter Beckett have returned to the University of Ill at Champaign after visiting Mr. and Mrs. Walter Beckett, Sr.

Mr. and Mrs. George C. Manson and G. C. Manson, Jr., spent New Year's with their son-in-law and daughter, Mr. and Mrs. Dan M. Sharpe, Jr., in Raleigh, N.C.

All merchants and business men of Virginia Beach and Princess Anne County are urged to attend a meeting in the Oceana High School Auditorium on Thursday evening, January 23, at 8:15 o'clock for the purpose of organizing a Better Business Association, according to Joseph E. Spruill, Secretary of the local Chamber of Commerce.

Considerable interest has been shown and indications are that there will be a record attendance at the meeting which is being called by a committee headed by F. W. Kellam of Princess Anne, and consists of R. B. Taylor, J. E. Bell and Harold Freeman of Virginia Beach; and Kermit Land of Pungo.

"This organization would be non-profit, and made up of business men interested in fraud prevention, promotion of fair advertising and selling practices, promoting a better understanding between business and the public, aiding in the prevention of swindles and prevalent rackets, and promotion of a better understanding among business men of the Beach and the County, Mr. Spruill says.

Mr. C. H. Dalby, former manager of the Better Business Bureau of Norfolk has accepted an invitation to attend the meeting and outline some of the advantages of such an organization.

(Continued On Page Six)

Bank of Va. Beach Adds Music to Other Assets

It is said that "Music hath charms to soothe the savage breast." That may not be applicable to the employees and customers of the Bank of Virginia Beach, but there is certainly no doubt about the atmosphere of soothing contentment created by the installation of the Bank's newest asset, "industrial music."

This increasingly popular method of sending music over the air can be regulated to suit the individual taste. In the case of the Bank of Virginia Beach only "good" music is selected, according to Mr. Church, president, and the volume of tone is controlled at his desk, so that at no time is it loud or offensive to even the most sensitive ear, nor distracting to those who wish to concentrate.

Many restaurants and eating places at Va. Beach have installed the individual sets and your nickel or dime may bring forth Beethoven or boogie woogie. The arrangement of "industrial music" which Mr. Church has installed in the bank is selected music and is functioning 100 per cent with wholehearted applause and appreciation from those who enjoy it.

It is understood that the Camera Hotel is making plans for the installation of a similar arrangement in the Hunt Room within the next few days.

The Music Corp. of Virginia Beach, formerly Grov-Webb Associates, and Harris Music Company are the two frightened concerns at the Beach which are now equipped to make these installations.

"THE VOICE of a majority, swaying the course of government does not insure good government except it be the voice of a well informed and well intentioned people."

JANUARY 17, 1947

TOO MANY TOUGH PROBLEMS

J. E. Jones

Washington, D. C.—New Year's resolutions of 1946 and prophecies for 1947 were meagre and guesses.

World problems are complicated all the way from Russia to the South Pole, with everything else in all directions. Most writers declared that the past twelve months were full of foolish failures.

To quote: "Constantinople is a very hard word and you can't spell it." But that has nothing to do with the case.

Washington has improved its regard for President Harry Truman since the November election started in to coordinate relations between the White House and Congress. It seems uppermost in his mind to recognize the responsibility of Congress and to join in practical ways to promote the interests of the people, instead of the two selfish old political parties.

The showdown fight between the President and John L. Lewis indicates that measures like the Case Bill and Wagner Act will furnish patterns for settling industrial disputes, and will be passed by Congress and signed by the President. In general terms the President indicates willingness to meet the Republican controlled Congress more than half way.

Summed up, the new co-partnership between the Executive and Legislative branches of the Government promises to produce real results in the public interest. And that is encouraging.

Suppose you make your own guessing. Write it out on a piece of paper and look it over in December 1947—just to find out whether you are a prophet or just another dreamer.

"PLEASE EXCUSE US"

J. E. Jones

An atom is "the smallest particle of an element that can exist," according to Noah Webster's Dictionary. The atom bomb is a United States secret, and our Nation is going to keep that secret from Stalin, Molotov and others.

No European members of the United Nations Council match the abilities of our Byrnes, Connally and Vandenberg. How they could be so patient with Stalin's bunch is almost beyond understanding.

The second World War has been over a long time but the making of the peace has not made a decent start up to date.

Isn't it about time that American expayers were relieved from "pouring the wealth of America" into Russia and all foreign countries that are still fighting over technical, nonsensical issues and destroying the prospects of out-living future wars?

The atomic bomb is perfectly safe while it remains in the possession of the United States. We will never use it as an offensive weapon, and as long as it remains our secret no big, blustering Russia will dare to challenge us to drop one of our atom pills on their territory.

So if the great effort that the United States is leading does not make the world safe for human beings, our own countrymen may decide to let other nations and other hemispheres fight their own battles—and "please excuse US."

CHEAPER PRICES

J. E. Jones

Inflationary prices are beginning to bust their own balloons. Many food prices are pointing downward. Prices of women's apparel, plus furs and "oh, them hats" that women wear have been slashed in prices—but that's all that can be said in their behalf. Furniture prices, rubber tires, butter and men and women's clothing are "going down." Many articles that fit into the above category have declined a few peps. As much cannot be said about many kinds of buildings that people want to use for business purposes or dwellings.

And when it comes to taxation there may be some reduction, but don't get the idea you are going to save much along that line.

Just one thing more: Don't get optimistic over any prediction out of Washington that the United States Government is going to meet the 1947 budget and begin paying off the National debt. Now you can laugh about that! It's just a "funny dream" to those who knew the ropes in Washington and have watched the wheels go round for many years.

SIGHT-SEEING IN THE PARKS

The Blue Ridge Parkway, linking Shenandoah National Park in Virginia to the Great Smoky National Park in North Carolina and Tennessee, made the high record in 1946. Its visitors totaled 1,147,277, which was 200,000 more tourists than Yellowstone.

Our whole social life is in essence but a long, slow striving for the victory of justice over force, —Galworthy scratch for."

ARE YOU AFRAID OF BOOKS

We have known people who are actually afraid of books, afraid to read too much for fear of becoming snobbish, afraid of trusting the statements in books as mere theories and not true to real facts, afraid that books are a waste of time. Some are afraid of getting queer notions which they say other people have found in books. And others are afraid that reading a big book all the way through will be a waste of time.

Good books can be the most valuable friends we'll ever find. They will sit quietly by without really calling for our attention, properly understood, good books can serve as constant guide-posts along our most difficult paths. And they're always waiting to fill those minutes or hours when we "just can't find anything to do."

Virginia Beach boasts two lending libraries. The Virginia Beach Lending Library on Arctic Avenue and THE RAGGED ROBIN BOOK SHOP, owned and managed by Miss Marcia Sinclair, and now in its new location at 303 31st Street. The Lending Library has books to lend and The Ragged Robin has books to sell as well as to lend.

Visit your libraries and you will, no doubt, find that: "Books are keys to wisdom's treasure; Books are gates to lands of pleasure; Books are paths that upward lead; Books are friends. Come, let us read."

HOW TO ATTRACT TOURISTS

The so-called "tourist trade" should bring to Virginia Beach many thousands of dollars of expenditures by visitors this coming season and the prospect of a "good" summer should be looked forward to if the community will provide what visitors like. There is no reason why Virginia Beach, with proper planning, cannot build a tourist business holding first place on the Atlantic Seaboard. Certainly Virginia Beach can offer as much, if not more, to the tourist than many sections of the country.

The Beach has the happy combination of seashore and pine woods, fresh water, in which fish abound, and open salt water with boating, fishing and swimming. There are historic shrines close by and modern facilities for amusement.

But to realize the most in visit, or appeal Virginia Beach will have to pay attention to certain details that the visitor will demand if he is to be a permanent customer. Attractive surroundings with good clean tourist homes, hotels and boarding houses, good cuisine in eating places—one of our greatest weaknesses today in the opinion of many—and hospitable treatment with no profiteering are essential.

Now is the time to give serious thought to the coming season. How shall we attract the tourist trade and, once attracted, how shall we hold it.

Deaths

MRS. FANNY ETHERIDGE

DOYLE DIES WEDNESDAY

Mrs. Fanny Etheridge Doyle, 57, wife of Walter Herron Doyle, and daughter of the late James Edward and Mrs. Fanny Santos Etheridge, died at 8 A. M. Wednesday at a Norfolk hospital.

Mrs. Doyle was a native and lifelong resident of this section, residing at Twenty-second Street, Virginia Beach, at the time of her death.

She was a member of Christ and St. Luke's Church.

Besides her husband, Walter Herron Doyle, she is survived by one sister, Mrs. Arthur Hiltch, of Virginia Beach and Norfolk; three brothers, Dr. Herbert R. Etheridge, Charles A. Etheridge and James E. Etheridge, of Norfolk, and also a number of nieces and nephews.

Funeral services will be conducted at the Oliver Funeral Parlor at noon today. Rev. George Gunn, rector of the Church of the Good Shepherd in Norfolk, will officiate.

Women Walkers

The controversy, as old as the automobile industry, over the question of whether women are safer drivers than men, has recently been revived with an outbreak of articles in both newspapers and magazines arguing one side or the other of the matter.

Now the State of Connecticut comes forward with an entirely new angle in the men vs. women contention. According to a five-year study conducted in that state, women are much safer pedestrians than men.

The survey revealed that during the period in question the number of male pedestrians killed was four and a half times greater than the number of fatalities recorded among women walkers. And it's just not logical, says the Connecticut report, to contend that men do more than four times as much walking as women.

Closer inspection of the findings reveals certain interesting facts. For example, it was shown that whereas less than half the feminine fatalities occurred at night, more than 80 per cent of the male pedestrian deaths took place during the hours of darkness. In fact, for the ages 31 to 71 inclusive all but ten per cent of the male deaths occurred between sundown and sunrise.

Pedestrian deaths account for approximately two out of every five traffic fatalities and for the past ten years the AAA, through an annual pedestrian protection contest, has been stimulating state and city action toward correction. The improvement in pedestrian safety recorded for scores of cities taking part in the contest is proof that intelligent and vigorous protective measures can go far toward solving this most important phase of the traffic casualty problem.

Theatre Prevues

"The Jolson Story," Columbia Pictures' Technicolor cavalcade of "e music, the magic and the times of America's greatest entertainer, is scheduled to have its first local showing on January 22, 23, 24 and 25 at the Bayne Theatre. Heralded as one of the most lavish and spectacular musicals ever to come out of Hollywood, it features Larry Parks, Evelyn Keyes, William Demarest and Bill Goodwin.

The screenplay, which was written by Stephen Longstreet, carries through nearly forty years of Jolson's remarkable exploits in the entertainment world. As the spotlight is turned on Broadway show hit after Broadway show hit, and then Hollywood and the "talkies," all the glorious music associated with the "Mammy Singer" comes to the fore. Some of the beloved tunes heard in the film are "April Showers," "By the Light of the Silvery Moon," "You Made Me Love You," "California, Here I Come," "Swanee," "My Mammy," "Waiting for the Robert E. Lee," "I Want a Girl," "There's a Rainbow 'Round My Shoulder" and "Liza."

It is said that, as Jolson, Larry Parks gives a truly amazing performance. Much stress is laid on the unsavory way he has captured all of Jolson's trademarks as an entertainer.

Evelyn Keyes, of the flaming tresses and glamorous beauty, has the feminine lead, the delicate role of a famous dancer whose claim on Jolson's heart is always shared by the world. William Demarest

and Bill Goodwin are seen as life-long friends of Jolson, and have received much praise for splendid supporting performances.

"The Thrill of Brazil," a romantic comedy set to torrid Latin rhythms, and "Gallant Bess," will be the other features at the Bayne. The Roland will present the usual Westerns and comedy pictures.

READING & WRITING

BY Edwin Seaver AND Robin McKown.

For many centuries the writers of the world have tried to express the meaning of the story of Jesus. Now, out of all this rich and varied material Edward Wagenknecht has assembled some 300 stories, poems, plays and essays in an anthology titled "The Story of Jesus in the World's Literature."

Many of his selections have been written within the last century or two, and are chiefly the work of English and American writers. However, Balzac is here, and Sigrid Undset and Kageura and Anatole France, and there is a generous sampling of English lyric poetry from Elizabethan to modern times. Many of the authors here were not professing Christians, although all the material is sincerely religious in tone.

Many ingenious devices have been used by writers to emphasize their theme. Jesus is viewed through the eyes of Mary, of Joseph, of Judas, of the Wise Men, of Pilate, of a shepherd boy, and even, as in the case of G. K. Chesterton, of the donkey on which Jesus rode. Jesus appears not only in Palestine, but in France, Ireland, England and New York.

According to Carl Sandburg, the best one-volume Lincoln to date is the forthcoming, "The Lincoln Reader," edited by Paul Angle. It will be the Book-of-the-Month Club selection for February. It contains 172 selections by 66 authors, including newspaper accounts of the day and Lincoln's own autobiography. The material is arranged in the form of a continuous biography, and is illustrated with many rare photographs.

In "Aging Successfully," Dr. George Lawton gives encouragement to women who think their life is over at a certain age. There was Mrs. Estabrook, for example, who lost her first husband when she was 64. At 69 she remarried, but a year later her second husband died. At 70 she married for a third time, and at 75 became a widow again. Now she is 84, and she has a suitor, a widower of 80 who is very devoted to her. But she steadfastly refuses to marry him. "Marrying is bad luck," she says. "I lose them that way."

It isn't only the women in her mid-forties to whom it is essential to conceal her age. A client of 85 came on her first visit to Dr. Lawton. Her age had been given by relatives who had phoned ahead of time. "Well," he asked, "and how old are you?" The old lady hemmed and hawed. Then shaking her finger with coy severity, she dictated, "put down 80 plus."

THE MONEY-GO-ROUND

Pay day...rent...food bills...insurance pay day clothes...doctor's bills...vacation...pay day...

So it goes, around and around. And every now and then the amounts coming in just aren't as big as the payments you ought to make.

Where's the difference coming from? The answer is simple: an Installment Loan at Tidewater's largest bank (the nearest of its six offices). The cost is amazingly low and you will be delighted with the prompt and cordial service.

That's why more people borrow from "Commerce" than from any other Tidewater bank.

Miss Dorothy Walke, of Norfolk, entertained Monday at the Princess Anne Club at a luncheon in honor of Mrs. A. Winthrop Lee, of Concord, Mass., who is visiting her sister, Mrs. Lila Tucker, at her home on Ocean Front.

Mr. and Mrs. H. W. Brown entertained Wednesday evening at their home on 52nd Street at a dinner party in celebration of the tenth birthday anniversary of their daughter, Miss Jane Brown.

The invited guests were: Misses Temple Forsberg, Mary Page Hillard, Hampton Shugart, Kitty Terrell, Janice Gregory, Keith Wilder, Agnes Chandler, Anita Strickland, Jean Simmons, Jane Kellam and Marsha Abernathy.

Mr. and Mrs. Leslie Dyer, Jr., announce the birth of a son, on Tuesday, January 14th, at the de Paul Hospital.

Comdr. and Mrs. Julian B. Tim-

berlake, Jr., left this week to spend some time in Florida.

Mrs. A. J. Maloney and two children arrived on Thursday from Washington, D. C., to visit Mrs. Maloney's parents, Mr. and Mrs. Walter Maher, at their home in Bay Colony.

Mrs. Fiedling Jeter left last week to visit relatives in Roanoke, Virginia.

Mrs. John Tilton has returned to her home in Norfolk after spending several days with her sister, Mrs. C. W. Bain, on 118th Street.

Dr. William Barr has returned to his home on 40th Street after spending the week-end at the University of Virginia.

Mr. and Mrs. Marion Maddox will leave Friday to spend the week-end in Lynchburg, Virginia. They will be accompanied home by Mrs. Maddox's mother, Mrs. Joseph Bateman, who has been visiting relatives in Lynchburg.

Mr. and Mrs. John Mitchell, of Warrenton, N. C., spent the week-end with their cousins, Mrs. C. W. Bain and Miss Elizabeth Bain, on 118th Street. Mr. Mitchell attended the annual banquet of the Norfolk-Farmington Chapter of the American Institute of Banking held Saturday evening at the Monticello Hotel.

Mrs. Robert Barr, Jr., returned Monday to her home on 87th St. after spending the week-end in Baltimore, Md.

Mrs. Le Moine Gray will arrive Saturday to spend the week-end with her sister, Miss Florence Le Moine, at her home on 36th Street.

Mrs. Katherine Hyde, of New York, is spending some time at the Jeter Cottage on 111th Street.

Mr. and Mrs. Hunter Phelan left Monday to spend a few days in Chicago, Ill.

Mrs. Claude Herbert left last week for San Antonio, Texas, where she will spend a month visiting relatives.

Mrs. Paul Devlin will return on Friday to her home on Holly Road after spending a week in New York.

Mrs. Chess Harbarger left Tuesday to spend a week in Pinehurst, N. C.

Mr. and Mrs. Edward R. Wilcox arrived Saturday from Norfolk to spend a week visiting Mr. and Mrs. Nathan Bundy on 117th St. Their daughter, Miss Harriet Wilcox, has left to visit Miss Charlotte Cohn at her winter home in Florida.

Miss Betty Kyle has returned to Mary Washington College, Fredricksburg, Virginia, after spending the week-end with her brother-in-law and sister, Mr. and Mrs. Samuel D. Hathaway, in Charlottesville, Virginia.

Mrs. E. T. MacWilliams arrived Monday from Charlottesville, Virginia, to visit Mr. and Mrs. MacLin Simmons on 53rd Street.

Mrs. E. R. Hardin, Jr., returned on Wednesday to her home on 36th Street after spending a few days in Washington, D. C.

Mr. and Mrs. Gerould Rumble will return on Friday to their home on 53rd Street after spending a week in New York.

Charles Gamble left Sunday to spend a week in Baltimore, Md.

Mrs. Claude Dennis arrived by plane Monday from Providence, R. I., to visit her brother and sister-in-law, Mr. and Mrs. Holmes Butler, at their home on 53rd St.

Mrs. Katherine Brothers, of Suffolk, is visiting her cousins, Mr. and Mrs. Henry B. Norfleet, at their home on 123rd Street.

The Misses Elizabeth Gregory and Evelyn Collins Hill are spending a week in New York City.

Mr. and Mrs. Mason Johnson will leave Saturday to spend several weeks in Hollywood, Florida.

Captain and Mrs. Clarence N. Hinkamp have as their guest Miss Margaret Ames of Washington, D. C., and Cleveland, Ohio. On Sunday, January 10th, Miss Ames was guest of honor at a cocktail tea given by her host and hostess.

Mr. and Mrs. Duckworth-Barker were guests of Captain and Mrs. Hinkamp over the New Year holiday. Mr. Duckworth-Barker is a member of the United Nations Organization and her and Mrs. Duckworth-Barker visited the Hinkamps in London and on the French Riviera.

Frank M. Carroll, who spent the Christmas holidays with his parents, Mr. and Mrs. Richard N. Carroll, in the Oakleigh Apartments, has returned to resume his studies at the Shenandoah College and Conservatory of Music at Dayton, Virginia.

Richard N. Carroll, Jr., has returned to V. P. I., Blacksburg, Va., after spending the holidays with his parents, Mr. and Mrs. Richard N. Carroll, in the Oakleigh Apartments.

Miss Cynthia Cabbis of Lynchburg is the guest of Mr. and Mrs. John A. Gurkin, at their home on 102nd Street.

Miss Chess Harbarger of 51st Street left Tuesday for Pinehurst, N. C., to play in the annual Mid-southern Match Point Bridge Tournament. Miss Harbarger is a member of the executive committee for this annual event.

Cadet Captain James E. Dixon has returned to V. P. I. to resume his studies after spending the holidays with his parents, Mr. and Mrs. J. E. Dixon, in Pungo.

Miss Virginia Dixon, daughter of Mr. and Mrs. J. E. Dixon, of Pungo, has returned to Madison College to resume her studies.

Colonel Charles Cavell, Jr., is visiting his father and brother at their home on 19th Street. Colonel Cavell, a West Point graduate, has served for the past three years with the 8th Corps in the Pacific Theater of war and has recently been transferred to duty in Washington, D. C. He will leave the last of the week to take up his new assignment.

Mary Alice Waters is Bride of Harry Holland, Jr.

The marriage of Miss Mary Alice Waters, daughter of A. N. Waters and the late Mrs. Waters, of Hilton Village, to Harry R. Holland, Jr., son of Harry R. Holland and the late Mrs. Holland, of Virginia Beach, took place Saturday afternoon at 3:30 o'clock at the home of the bridegroom's sister, Mrs. J. C. Ayman, at Virginia Beach. The ceremony was solemnized by the Rev. Robert Pickens Davis, pastor of the Presbyterian Church, Virginia Beach. The home was decorated with evergreens, white alyssum and lighted tapers.

The bride was given in marriage by her brother, C. N. Waters. She wore a two-piece suit of grey wool, black accessories and a corsage of pink roses. She had as her matron of honor and only attendant Mrs. C. H. Waters, who wore a melon crepe dress, black accessories and a corsage of gardenias. Harry R. Holland was best man for his son.

Following the ceremony an informal reception was held. After a wedding trip to Washington, D. C., the couple will reside at Virginia Beach.

MARKLAND-MATHESON

The marriage of Miss Edna Mae Matheson, of Fort Story, Virginia, daughter of Mr. William Lee Matheson and the late Mr. Matheson, of Andrews, North Carolina, to Sergeant Herbert Frederick Markland, of Fort Story, Virginia, son of Mrs. Irwin J. Devore and the late Herbert Frederick Markland, of Hot Springs, Arkansas, took place Saturday, December 14, 1936, at high noon, at Galilee Episcopal Church, Virginia Beach, with the rector, the Reverend Charles W. Carnan, Jr., officiating.

The bride was given in marriage by Lt. Colonel Harold G. Archibald, of Fort Story. She had as her maid of honor Miss Erva Elizabeth Anderson, of Virginia Beach.

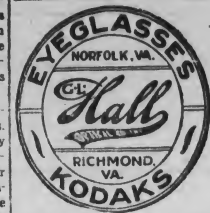

Sergeant Markland had as his best man Corporal Frank M. Morris. The ushers were Sergeants

William T. Rice, William T. Carson and Melvin S. Crist.

The church was decorated with white magnolias and gladioli and tapers.

Mrs. George L. Aldridge, organist of the church, played the wedding music.

Following the service, Sergeant and Mrs. Markland left for a short wedding trip. On their return they will reside at 236 Thomas Nelson Circle, Virginia Beach.

CANINE OLDSTERS BOAST INTERESTING CAREERS

The search for the oldest dog in America, conducted by the Gaines Dog Research Center, New York, as part of the 1944 observance of National Dog Week, unearthed some exceedingly interesting stories.

The oldest one found was Laddie Boy (named after President Harding's dog), 25 1/2 year old male of dubious ancestry owned by Mrs. E. C. Baynard of Rocky Mount, N. C. This age in a dog is equivalent to 136 years in a human. Though dogs half his age are considered old, Laddie is perfectly well and has required no veterinary attention in over four years.

Acie, a large cross-bred owned by Mrs. Oscar Brington of Anaheim, Calif., is now 21 years old. When he was 10 years old, the Engle family moved to Anaheim from Truman, Minn., leaving Jiggs behind with a friend. After staying with his friend eight weeks, Jiggs vanished. Two and one-half years later he turned up at the Bengtson home in California, having traveled nearly 1800 miles through strange territory to find his family.

Ritz Rachmaninov, a purebred Samoyede owned by Mrs. Daniel McKnight of Vallejo, Calif., and now 15 years old, distinguished himself at the age of 12 (75 in human equivalent) by siring a litter of four healthy puppies.

Susie, 16, owned by Al Johnston, a government trapper of Logan, Mont., still goes hunting with her owner every day. She has pulled down over 600 coyotes and once helped capture a wolf weighing 103 pounds.

Acclona Wire Girl ("Acie"), purebred Wire Foxterrier owned by Mrs. B. J. Blackburn of Roseville, Mich., is still spunky-looking and swift of figure despite her 12 years. Acie has produced 10 litters of puppies and raised all of them. Besides nursing her offspring, she has acted as foster-mother on three different occasions for other dog mothers who had more puppies than they could take care of.

Buddy, a Shepherd (Collie type) belonging to Mrs. Stoddard Porter of Grahamsville, N. Y., is still working for a living at the age of 16. He brings the cows home from pasture every after-

noon. In addition, he has completely eliminated woodchucks from the Porter farm.

In Somerset, Pa., Mrs. William E. Griffith has a toy Black and Tan Terrier male, named Zippy now 19 years old. She told the Gaines Dog Research Center folk, "Zippy has traveled extensively, stopping at the very best hotels in the country."

Mrs. Robert E. McKinley, of Federalburg, Md., boasts that her 17-year-old mixed Terrier, Buster, "can actually talk." She claims he says such words as "I'm hungry" and "I want to go out." This claim places Buster well ahead of the much-publicized English dog Ben who is said to be able to distinctly say, "I want one."

A white female Spitz, "Midgie," owned by Fred Oertel, of Keokuk, Ia., had a litter of three healthy puppies in May, 1944, when she was 16 years old. On other occasions, when she had no puppies of her own, Midgie mothered a litter of white rats, some chickens, another dog's four puppies, and still another time simultaneously nursed a puppy and a kitten.

**TAA Appointed
Airline Agent;
Tickets Issued**

A further step in its efforts to provide members an ever-expanding travel service the Tidewater Automobile Association recently accepted

appointment as agent for the sale of airline tickets and the placing of reservations.

With only its members interest to serve, the association believes it is in position to offer fast, direct and economical routings anywhere in the United States and to most places in the world. There is, of course, no charge

**You Generous Or Demure
Our Hair Completes The Picture**

WHICH is you? The elegant vision in the John Fredericks creation of chateau velvet and plumes? Or the demure miss in the practical top piece designed by Madcap? You can be both, simply by shifting the scene from one mood to another, when your hair is a flexible feature easily arranged to suit any kind of hat or costume. Washed regularly with a liquid shampoo with hair conditioning action, your tresses take on a lustre and manageability that makes them easy to mold to the mood of any millinery, whether lavish or simple. The John Fredericks hat is a stunning example of the new "silhouette" style. A face framer with glamour galore, notice how the hair is arranged in side bangs and neck bun to complement the flattering side sweep of the hat.

Madcap's contribution to the fall fashion scene is charming and practical, a crocheted chapeau which has style, warmth and comfort. Because it is crocheted, it can be pulled to fit the head, and the new side scarves attached to the cap can be draped for warmth and style to suit oneself. Worn with a feather cut, this cap gives a flattering front view of the hair, while protecting

the side hair in rough weather with its snug but smart scarves. Both hats call for beautifully groomed hair, the Fredericks creation demanding hair that lies close to the head,

Photos by Dress

**Beach Highway
Improvement
Expected Soon**

Plans for widening the Virginia Beach Boulevard — to provide for dual lanes separated by a center strip — are being rushed to completion so that the first stage of the work, already authorized by the State Highway Commission, can be completed before the Summer rush of traffic begins.

This report to the Norfolk-Portsmouth board of the Tidewater Automobile Association, at its meeting December 12 in the Monticello Hotel, Norfolk indicated that the first project will include that portion of the boulevard between the Norfolk City limits and Thomas' corner —

for the service.

The TAA is in position to make air reservations, plan tours and issue tickets.

Other travel services performed by the association for members in addition to those pertaining to motor travel — include the making of hotel and railroad reservations and the arranging of steamship cruises

The T. A. A. was informed that the State Highway Commission hopes to complete the working plans in February and advertise for bids in March.

The City of Norfolk has completed its plans for the widening of Broad Creek Road, connecting with the boulevard at the city limits, but at the time of the board meeting these plans had not been approved by the Federal Government, which will pay half the cost.

The contract has been let for the widening of U.S. 13 from the Maryland line south to the Chincoteague Road, the board was informed, where the Kempsville Road intersects.

The State Highway Commission, further, is preparing plans for the widening of the Waterworks Road from the traffic circle intersection with the military by-pass to Diamond Springs; and the T.A.A. is asking that funds for this project be set up in the next allocations.

Plans for the million-dollar three-level overpass at Port, as well as arrangements for financing, have been completed, the T.A.A. board was told and the State hopes to ask for bids in February.

**Federal Gasoline
Tax Elimination
Asked by A. A. A.**

Parking and construction of a 40,000 mile interstate highway network, review of trends in Federal Aid legislation elimination of the Federal gasoline tax, enactment by states of limited-access and roadside protection measures, and intensification of traffic safety activities — these are the highlights of the broad program of action adopted by motor club delegates at the A.A.A.'s forty-fourth annual convention in San Francisco, California, on November 13-15.

The delegates recommended that every state establish a special highway committee, representing all groups interested in highway development, to formulate long-range highway improvement programs based on road needs, revenue, and total road costs.

The A.A.A. also called for a halt in dissipation of road revenues on routes of purely local interest; urging tightening of gasoline tax exemption and refund methods; demanded that state highway departments plan and announce changes in route numbers well in advance of the travel season; recommended adoption of a world passport; authorized legal action, if necessary, to bring about removal of road tolls in national parks; backed a rubber policy which would result in continued large-scale synthetic production & use; and launched a program for protection of motorists' consumer interests.

In the field of traffic safety the delegates supported the Action Program of the President's Highway Safety Conference urged strengthening of club safety programs; stressed need for greater uniformity of traffic regulations and traffic control devices; called for standardization of "no passing" zones; recommended that all high schools institute driver education & training programs; favored adoption of pedestrian regulations, and recommended plans for greater safety at school crossings.

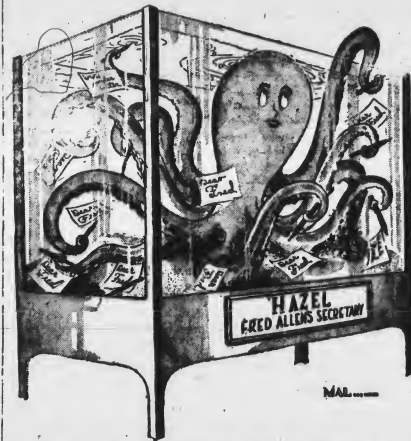

A young lady, telephoning a music store, was connected by mistake with a garage.

"Do you have 'Two Red Lips and Seven Kisses'?" she asked.

"No," answered the garage, "but we have two tom cats and seven kittens."

"Is that a record?" she asked.

"Well," said the garage, "we think it is."

Fred Allen, radio comedian, has just written *The Reynolds Pen Company*: "my secretary is an octopus, on busy days it is exciting to watch her take dictation with her thirty-seven notebooks and her thirty-seven tentacles holding reynolds pens skipping over the pages lightning-fast. hazel, my octopus, works in a large tank which I have in the office here and it was she who first found that your pen would write under water." (Fred has no capital letters on his typewriter.)

**FORD PRICES REDUCED**

The Ford Motor Company today, in a move to halt the spiral of mounting costs and prices, reduced the delivered price of Ford Cars from \$16.26 on some models to \$54.20 on others. In making the announcement, Henry Ford 2nd, President of the Company said,

"Although more than one million of our customers are waiting delivery of Ford Cars at present prices, we are immediately reducing the price of every Ford Car. We believe that the 'Shock treatment' of prompt action is needed to halt the insane spiral of mounting costs and rising prices and to restore a sound base for the hopeful period of post-war production we are now entering."

We are happy indeed to make the above announcement to our many customers who have placed orders with us for Ford Cars and hope that production will permit us to fill your order in the near future.

Aims of Business Association Outlined

(Continued from page one)

What is a Better Business Association?

It is a non-profit organization established by leading wholesale, retail, financial, industrial and manufacturing organizations in this community for the following purposes:

- (a) Fraud prevention
- (b) Fraud prosecution
- (c) Promotion of fair advertising and selling practices.
- (d) Consumer education in money management, in buying and in everyday relations with business.

Who may become a member of the Association?

Any person, firm, or organization believing in the subscribing to better business ethics is eligible for application to membership, subject to approval of a Board of Directors.

Is the Better Business Association a local organization?

Yes, but it could become a member of the National Association of Better Business Bureaus cooperating with similar Associations in over 85 cities, exchanging information and reports for the benefit of its membership and the community.

Who would direct the local Association?

A board of directors determine the general policies. These men serve without compensation and represent the many fields of business in which the Association is active.

How would the Association serve the Public?

- (a) Providing factual information to inquirers.
- (b) Handling bona-fide complaints by the public against misrepresentation.
- (c) Education in fraud prevention.
- (d) Promoting a better understanding between business and the public.
- (e) Aiding in the prevention of swindles and the prosecution of swindlers.
- (f) Promotion and develop-

ment of fair trade practices in advertising and selling in all fields of business.

How would the Association reach the public?

- (a) By Radio talks exposing prevalent racketeers.
- (b) Advertisements appearing in Newspapers and other advertising.
- (c) By talks made before business, social, educational and civic groups.
- (d) By publicity released to the press on particular promotions and unfair schemes.

Would the Association be interested only the prosecution of those cases which are in violation of law?

No, the Association believes in business protecting itself and the public by self-regulation. It tries by persuasion to bring about a correction of the objectionable advertising or selling practice. If persuasion fails it resorts to publicity. Persecution is always a means of last resort.

What Services would be rendered by the Association?

- (a) Meet with trade groups to establish standards for better advertising and selling.
- (b) Eliminate unfair advertising, which tends to destroy consumer confidence in all advertising.
- (c) Check local advertising and radio continuity for accuracy and seek the cooperation of the advertiser when inaccuracies are discovered.
- (d) Acceptance and adjustment of bona-fide consumer complaints, bringing about a better understanding between business and consumer.
- (e) Keep merchants informed of new legislation applicable to business and assist in putting

these regulations into practice.

- (f) Cooperate with Government agencies to check fraudulent promotions and assist in the prosecution of offenders, when necessary.
- (g) Charity rackets, solicitation schemes and other promotions would be exposed.

- (h) Industrial posters exposing the more prevalent schemes fostered upon unsuspecting employees are sent to members to post on employee's bulletin boards for their protection.

Why should business support the Association?

- (a) Because it protects the buying public against misrepresentation, deception and fraud.
- (b) Because it builds for legitimate business a greater good will by lifting suspicion from the honest and exposing the dishonest.
- (c) Because from purely a civic point of view it would preserve the security and good will to which all legitimate business is entitled, and which if endangered is damaging to you as well as the firm directly affected.

Rail oddities

THE SHORTEST LENGTH OF RAILROAD ROUTE IN THE UNITED STATES IS ALMOST 1000 MILES - A DISTANCE GREATER THAN THE WIDTH OF THIS COUNTRY.

WADES AND OTHER COSTS UP 50%

STANDARD RATES FOR PASSENGER MILE UP 7% AVERAGE RATES FOR FREIGHT UP 1%

WHAT INCREASES, TOGETHER WITH HIGHER COSTS OF MAINTENANCE AND SUPPLIES, HAVE ADDED TWO BILLION DOLLARS A YEAR TO RAILROAD EXPENSES, SINCE 1930.

WHICH WOULD MAKE THEMSELVES AND SAVINGS ON FURNISHINGS TRAVELERS FOR BILLION MILES ON AMERICAN RAILROADS AT A SPECIAL REDUCED RATE ONLY A LITTLE MORE THAN BUS FARE.

Modern Furniture
Popularity For

A highly significant development in the home furnishings fields is the coming of age of modern home furnishings, according to the December issue of House Beautiful magazine.

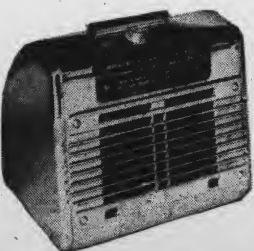

"During the past fifty years a new kind of American look has been incubating and developing," an article in the magazine states in part. "The new type of design has gone through all the awkward phases of adolescence - amateurism, experimentalism, copying our European neighbors, and trying to be different just to shock the masses. Now it has finally grown to maturity, and emerges looking permanent and finished, mature and professional, rich, graceful, and as elegant as any fine period of the past."

Commercial manufacture of this new group of furnishings has been started and will be shown to the trade for the first time in January. They will be offered to the public by leading stores during the latter half of next year.

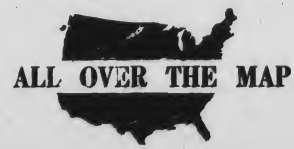

Commenting on the new development, House Beautiful states: "In owning contemporary American furniture, we need not be up and down in our pleasure in a time of polished wood, our joy in the touch of a satin-smooth surface, and our delight in fine proportion and superb craftsmanship. As our tastes shed their antique clutter, we find furniture which is truly important and beautiful enough to serve its new prominence."

FROM COAST TO COAST . . . FROM BORDER TO BORDER
BIG PROFITS and BETTER PERFORMANCE

HAVE SPREAD

PERSONAL MUSIC

RESTAURANT & TAVERN OWNERS:

When the smarter music merchants from coast to coast convert their routes to Personal Music, its time to find out about it.

You get the finest in everything in a Personal Music System - design, material, workmanship and operation - a truly integrated music system. Bigger profits come from continuous plays. By the same token

more frequent plays come from the best music reproduction. The Master Power Supply Unit, the modern location amplifier, gives you high fidelity tone quality - the best music - hence more plays - more money - bigger profits. You can prove this beyond any doubt. Simply COMPARE the P.M. system separate treble and bass control. COMPARE the P. M. automatic impedance matching. COMPARE all these with any other system.

Personal Music Installations In This Area:

- City of Norfolk: Over 50 of Norfolk's finest restaurants and Taverns
- County of Princess Anne: La Reine Restaurant . . . Puritan Luncheonette . . . Lynnhaven Inn, on Shore Drive . . . Oceana Restaurant . . . Oyster Haven . . . The Spot

HOTEL and COTTAGE OWNERS:

For CONTROLLED music for your dining-rooms, lobbies and porches, call or write to us for a demonstration of the JOHN LEE system. It is the ideal system for banks, offices, factories, restaurants, etc. unmatched performances!

VIRGINIA.
IN THE CLERK'S OFFICE OF
THE CIRCUIT COURT OF PRIN-
CESS ANNE COUNTY ON THE
9th DAY OF DECEMBER, 1946.
OAKLEY LEONARD SMITH,
Plaintiff,

v. MARY DELORES SMITH, De-
fendant.
The object of the above suit is
for the complainant to secure a

divorce a mensa et thoro, to be
later merged into a divorce a vin-
culo matrimonii, upon the ground
of desertion, from the defendant,
Mary Delores Smith. An affidavit
having been made according to
law that Mary Delores Smith is
not a resident of the state of Vir-
ginia and that her last known
Post Office address is 931 Jack
Street, Brooklyn, Baltimore 25,
Maryland, it is ordered that she
appear in the Clerk's Office of
the said Court within ten days to
protect her interest; and it is fur-
ther ordered that a copy of this
order be forwarded to the defendant
at her last known address and be
published in the Virginia Beach
News, a newspaper published in
the County of Princess Anne, on-
ce a week for four weeks, and
that a copy be posted at the front
door of the Court House of the
said Court on or before the next
succeeding rule day.

COMMONWEALTH OF VIRGINIA.
In the Clerk's Office of the
Circuit Court of the County of
Princess Anne on the 9th day
of December 1946.
BILLIE L. TREVETT, Plaintiff,
against
BEATRICE O. TREVETT, Defen-
dant.

The object of this suit is to ob-
tain from the defendant an an-
nulment of marriage upon the
grounds that said marriage was
never consummated.

And an affidavit having been
made and filed that the defend-
ant Beatrice O. Trevett is not
resident of the State of Virginia,
it is ordered that she do appear
here within ten (10) days after
due publication hereof, and do
what may be necessary to protect

her interest in this suit.

Robert L. Simpson, p.q. 1347

TAKE NOTICE THAT The Board
of Supervisors of Princess Anne
County, Virginia, will at its meet-
ing to be held on Monday, the 27th
day of January 1947, in the Super-
visors' Room, at the Clerk's Office,
adopt the following Ordinance:
**AN ORDINANCE TO REGULATE
AND RESTRICT IN THE INTER-
EST OF THE PUBLIC HEALTH,
SAFETY, MORALS, AND GENERAL
PROSPERITY AND GENERAL
WELFARE, THE LOCATION OF
BUILDINGS AND OTHER
STRUCTURES AND PREMISES
WITHIN THAT AREA OF PRIN-
CESS ANNE COUNTY, VIRGINIA,
AT CITY WATER WORKS
KEMPSPVILLE MAGISTERIAL
DISTRICT, AND TO IMPOSE
REGULATIONS DESIGNATING
THE KINDS OR CLASSES OF
BUILDING AND STRUCTURES
WHICH MAY BE ERRECTED AND
USED IN SAID SPACE, THE
NUMBER OF PERSONS, FAMIL-
IES OR GROUP UNITS TO RE-
SIDE IN OR USE THEM, THE
PUBLIC, QUASI-PUBLIC, OR
PRIVATE NATURE OF THE USE
THEREOF, AND TO PROVIDE A
METHOD OF ADMINISTRATION
AND TO PRESCRIBE PENAL-
TIES FOR THE VIOLATION OF
THE WITHIN PROVISIONS.**

WHEREAS, the Legislature of
Virginia has authorized the Board
of Supervisors of Princess Anne
County, Virginia, within the limits
of said County, to establish zones,
and to classify, regulate and re-
strict the use of property within
such zones, and the Zoning Com-
mission appointed for that pur-
pose has made a report to the
Board of Supervisors, recommend-
ing the establishment of a zone in
that area lying on the South side
of the City Waterworks, Kemp-
spville Magisterial District, bounded
and described as follows:
Beginning on the South side of
the property belonging to the City
of Norfolk at the waterworks and
running back a distance of 300
feet on each side of the right of
way of the Kempspville Road and
running along said road from this
point to within 200 feet of the
right of way of the Virginia Beach
Boulevard.

ORDINANCE

NOW, THEREFORE, BE IT
RESOLVED, That within the
above described zone:

- I. No buildings, structures nor
premises shall be used except as
hereinafter specified, nor shall
they be arranged or designed to be
used in any part, except for one
or more of the following purposes:
(a) A residence designed for occu-
pancy of a single family, with
garage or garage apartment per-
mitted only in connection with an
established single family dwelling.
- (b) Duplex Apartments.
- (c) The taking of boarders or
the leasing of rooms by a resident
family.
- (d) The office of a resident pro-
fessional business.
- (e) Churches or other places of
worship.
- (f) Schools or parks.
- (g) Private garage on same lot
in or with residence and as ac-
cessory thereto. However, no business
to be conducted in said garage
and no garage shall provide space
for more than four motor vehicles.
- (h) Real estate signs advertis-
ing the sale or rental of only the

premises on which they are main-
tained.
(i) Accessory uses customarily
incident to the above permitted
uses and located only on the same
lot or plot with them, including
small professional signs. Except,
as permitted above, accessory uses
shall not include any use cus-
tomarily required in connection
with the business or industry, nor
any driveway or walk giving ac-
cess thereto, nor any display of
goods visible from the street or
roads such as are made and sold,
nor any billboard nor advertise-
ment sign, except signs for rental or
sale of real estate.

II. No buildings shall be con-
structed without a permit and all
applications for building permits
shall be made to the building in-
spector and such application shall
be accompanied by plans in dupli-
cate, showing the actual shape
and dimensions of the lot to be
built upon and the exact size and
location on the lot of the build-
ings, accessory buildings, the ex-
isting use of each building, the
number of families or housekeep-
ing units the building is designed
to accommodate and such other in-
formation in regard to the lot or
plot and the neighboring lots, as
may be necessary to determine
and ascertain for the enforcement
of this ordinance. One copy of
such plans shall be returned to
the owner when such plans have
been approved by the building in-
spector.

III. The minimum construction
cost of any building to be used as
a residence that is to be erected in
this area, shall be \$5,000.00. This
figure shall apply to the actual
construction cost of the dwelling
unit, excluding cost of lot, grounds
and garage.

IV. No buildings shall be con-
structed on any lot smaller than
200 feet square.
V. No dwelling house shall be
constructed on any lot or site closer
than 50 feet to its boundary
lines and NO garage or accessory
building shall be constructed closer
than 10 feet to any boundary
line of any plot or lot, and no
building shall be set closer than
50 feet to the closest edge of the
right of way of the highway or
street.

VI. No buildings shall be moved
in this area while intact or in a
knocked down condition. How-
ever, materials obtained from a
demolished building may be used
in the construction of a new house
if approved by the building in-
spector.

VII. Any building, structure or
use existing in the above describ-
ed area at the time of the enact-
ment of this ordinance, may be
continued even though such build-
ing, structure or use does not con-
form with the provisions of this
ordinance. Such existing non-con-
forming use may hereafter extend
through any parts of a building
which were manifestly arranged
or designed for such use at the
time of the enactment of this or-
dinance. No building, structure or
premises in the above zoned area
on which a non-conforming use is
superceded by a use permitted
shall again be devoted to any pro-
hibited use.

VIII. Should any section or pro-
vision of this ordinance be de-
clared by the Court to be uncon-
stitutional or invalid, such decla-
ration shall not affect its validity as
a whole or any part thereof other
than the part so declared to be un-
constitutional or invalid.

IX. Any person aggrieved or af-
fected by any action or decision

of the building inspector, may ap-
peal, as a matter of right to the
Zoning Board of Appeals as pro-
vided by law. The said Board of
Zoning Appeals may in appropri-
ate conditions and safeguards,
vary the application of the terms
of this ordinance with its general
purpose and interest and in ac-
cordance with general specific
rules herein contained.
X. This ordinance shall be en-
forced by the building inspector,
his agents, employees, and any
violation thereof shall be punish-
able by a fine of not less than
Twenty-five Dollars (\$25.00) nor
more than Fifty Dollars (\$50.00),
or by confinement in jail for a
period of not exceeding thirty
days either or both. Each
day of continuous violation shall
be considered a separate offense.
Teste: WILLIAM F. HUDGINS,
Clerk.

NOTICE OF PROPOSED
CHANGE OF ZONING ORDINANCE IN THE TOWN OF VIRGINIA BEACH, VIRGINIA.

WHEREAS, the Zoning Board
of Appeals of the Town of Virginia
Beach, after legal advertisement
for a public hearing, has recom-
mended that all of Block Eight
(8) of Pinewood Park, said Block
lying along the Norfolk-Southern
Railroad between Mediterranean
and Cypress Avenues in the Town
of Virginia Beach, Virginia, be
changed from Residence "B" to
Business District and that Site
Number One (1) on the Plat of
Linkhorn Park, said Site being lo-
cated at the Northwest corner of
31st Street and Holly Road in the
Town of Virginia Beach, Virginia,
be changed from Residence "B" to
Business District;

THIS IS, THEREFORE, to notify
all persons interested and citi-
zens that a public hearing in this
matter will be held at 8:00 o'clock
P. M., Monday, February 3rd,
1947, in the Council Chamber in
the Town of Virginia Beach, Vir-
ginia, at which hearing any parties
interested in said matter will
have the opportunity to be heard.
By order of the Town Council
of Virginia Beach, Virginia, Janu-
ary 6th, 1947.

(Signed) R. A. JONES, Clerk

County Farm
Income High
For Past Year

Nearly doubling their annual
gross income in comparison with
1946, as reported by the U.S.
Bureau of Census, Princess Anne
County farm families last year
produced crops and livestock with
the record value of more than
\$3,547,000.

This large increase in farm re-
venue will undoubtedly result in
heavy demand for general farm
improvements and for home re-
modeling when materials become
more plentiful, according to a
study released by the Title Council
of America. With every industry
anticipating greater business in
the state than before the war,
floor and wall tile manufacturers
alone expect their sales here to
triple in the next few years.

"Increased sales of industrial
products mean in turn a new
level of prosperity for every local
businessman and worker," said D.
P. Frost, chairman of the Coun-
cil's Residential Construction
Committee.

Volume of home modernization
throughout the country will be
greatly stepped up as result of the
present rapid extension of elec-
tric service to rural areas, accord-
ing to the study. Heaviest re-
modeling demand is anticipated
for the installation of running
water, tiling of bathrooms and
improving kitchen layouts, Frost
said.

Mr. Frost also pointed out the
need for replacing much of the
war-weary machinery on the 884
farms listed for this county in the
1945 census figures. "The demand
for new trucks, tractors and other
equipment, as well as for home
remodeling, demonstrates the im-
portance of the farm market and
makes it one which no business or
manufacturer can afford to over-
look," he said.

SUNDAY DINNER
Suggestions

It is onion, a common field and
garden vegetable, is one of the
most versatile of all foods. This
nutrient-smelling food was originally
a native of Asia, but centuries ago
enterprising seamen introduced it
to all parts of the world so that it
has become universally used. The
onion crop in the United States is
one of the largest ever harvested,
amounting in excess of two and one-
half billion pounds. This large
crop assures a reason for the price.
There are three principal types
of onion: the white species used
almost entirely for cooking; the
red variety when small is used
for soups, but in the larger size
it is consumed raw; then there
is the red or Spanish onion which
because of its sweetness is pre-
ferred in salads.

The generally accepted ways of
using the onion are in soup, creamed
and in cooking roasts and stews.
Raw onions are used for a garnish
with cold meats as well as with
the hamburger sandwich. They are also
desirable in a salad to add flavor.
The very small onions are used for
pickling and add to the novelty and
appearance of the hors d'oeuvre
tray. The red onion when dipped in
scalding water and then peeled may
be used as a salad with a French
or wine vinegar dressing.

According to the A & P Service
for Home-Makers, onions may well
be used for seasoning, especially
when it appears advantageous to
alter the taste of another vegetable.
If the young fry balks at spinach
try chopping it moderately fine, add
a small quantity of chopped onion
and cook in a sauce pan with an
ordinary cream sauce. Another use
for the same chopped onion would
be in the commonplace mashed po-
tatoes. The shallot, mild cousin of
the onion, when chopped may be
used in cooking fresh peas, causing
a change in taste for one of Amer-
ica's most popular stand-bys. Onions
can be grated on a coarse grater
and the juice and pulp added to a
mayonnaise dressing for use with
a lobster, shrimp, salmon or tuna
fish salad.

THE OLD JUDGE SAYS...

DICK: "I saw one of the most interesting
movie-thorts I've ever seen last night,
Judge."

OLD JUDGE: "What was it, Dick?"

DICK: "It was one that showed how, in the
old days, mentally unbalanced people were
thrown into dark dungeons... chained to the
walls... treated almost like animals.
Not a thing was done to help them. They
were never cured like so many are today."

OLD JUDGE: "The same thing used to be
true about alcoholics. Most of the time those
poor fellows were thrown in jail... shunned
by society. That was until scientists dis-
covered that, in most cases, people didn't
drink to excess because they craved alcohol.
They found out that alcoholics are really
sick people... usually suffering from some
deep-rooted physical, mental or emotional
maladjustment. Now that medical men know
the real cause of alcoholism, great strides
have been made in curing it."

...it's not
so simple
today, Ben

BEN FRANKLIN, born 241 years ago this month, brought
electricity down to earth with a kite and a key. Fortunately,
there was no shortage of kites or keys.

But it isn't so simple today to bring electricity to the increas-
ing thousands of rural and farm homes where it is wanted and
needed. We can generate — instantly — all of the power needed.
But we can't bring it to you with kites and keys . . . it takes
meters and poles, transformers and wires . . . and many other
materials and equipment which are still on the critical shortage
list. True, some are available at some times, but each is inter-
dependent upon the other to complete service lines extensions.

If you are among the seven thousand applicants in Vepco-
land for electric service, we are grateful for your patience, and
we promise to fill your request in the order of receipt, just as
soon as essential materials are available. Really plays no favorites
— only bona fide emergencies take precedence.

Virginia Beach News

A Journal Devoted to the Interests of Princess Anne County and the State of Virginia

Vol. 22 - No. 12

VIRGINIA BEACH, VA. JANUARY 24, 1947

SINGLE COPY 5c, \$2.00 PER YEAR

OFFICERS ELECTED AT ANNUAL RED CROSS DINNER MEETING

H. W. Chaffee was re-elected chairman of the Princess Anne County Chapter of the American Red Cross at the annual meeting this week in the auditorium of the Virginia Beach Presbyterian Church.

Also elected, in a unanimous acceptance of a nominating committee report, were: Robert L. Simpson, vice chairman; Mrs. Willard Ashburn, secretary, and Mr. Joseph E. Sprull, treasurer. Executive board members elected were: Dr. D. O. Todd, Clyde F. Nicholson, Mrs. Harry Owens, J. Peter Holland and Sidney Kalkan.

Chaffee announced that Clyde F. Nicholson, recently named as town engineer for Virginia Beach, would be general chairman of the chapter's annual drive. The goal will be \$10,000.

The chapter chairman said in his annual report that home service work, primarily assistance to war veterans, developed last year into the chapter's top activity. He also said that James Kontapanos, chairman, and Robert Simpson, co-chairman, had reorganized the disaster preparedness program in recent months and were ready to respond to any emergency.

Thanking department chairman for their work, Chaffee singled out Mrs. K. C. Johnson, chairman of volunteers, for her long service to the chapter, and noted that the canteen corps, headed by Mrs. Martha Hull and Miss Mary Lou Huffaker, had prepared and served the dinner preceding the annual meeting.

Entertainment at the meeting consisted of a new technical movie of Virginia Beach by Joseph E. Sprull, executive secretary of the Chamber of Commerce, and songs by a Negro spiritual quartet.

Special appreciation was expressed by Mr. Chaffee to Mr. Davis and the trustees of the Presbyterian Church for the privilege of holding the meeting in the church.

Mr. and Mrs. William Holloman announce the birth of a daughter on January 18 at the DePaul Hospital in Norfolk. Mrs. Holloman is the former Miss Clarence Delaney of Arion, Belgium.

4-H Clubs In County Elect 1947 Officers

The 4-H Club work promises, if it has not already done so, to become the greatest youth organization in this county. It will become the greatest organization because the club, instead of merely seeking to acquire its members, has a desire for living. It has a useful, constructive program leading to the life of its members. Four-H Club members make play out of their work but together they build for a greater farm industry in this nation, an industry that will become progressively greater because of the intelligence and the study that is being applied in the development of the 4-H program.

H. W. Ozlin, County Agent, announces that the Princess Anne Clubs are setting off to a fine start for the 1947 program. All of the clubs have elected officers and are now receiving applications for membership. Recent meetings held by the different clubs show the following officers elected:

Creeds Senior 4-H Club: Joyce Ethridge, president; Dan Spence, vice president; Ruth Frances Williams, secretary; and Lankford Malbone, reporter. Mr. J. C. Bradburne is the leader of this club, and there were 30 applications for membership.

Creeds Junior 4-H Club: Nancy Williams, president; Arieigh Waterman, vice president; and Billy Mae Williams, secretary. Billy Doster, reporter. Mrs. Philip Bonney is the leader of this club and Mrs. Bessie Bell is the sponsor in the school. There were 48 applications for membership.

Oceans Junior 4-H Club: Katherine Meeks, president; Kermit Land, Jr., vice president; John McCleod, secretary; Henry Reid, reporter; and Joanne Hughes, song leader. Mrs. Thomas Brathwaite is the leader of this club and Mrs. S. B. Myers is the sponsor in the school. There were 60 applications for membership.

Oceans Senior 4-H Club: Joyce Whitehurst, president; Stanley Wilson, vice president; Elaine Myers, secretary; Reed Godfrey, reporter; and Coral Allen, song leader. Mrs. Ira McCleod is the leader of this club, and Miss Margaret Bailey is the sponsor in the school. There were 15 applications for membership.

Center 4-H Club: Glenn McClanahan, president; Virginia Bage, vice president; Margaret Pentress, secretary; and Julius Sander, reporter. Mrs. H. C. McClanahan is the leader of this club, and Miss Lillie B. Woodhouse is the sponsor in the school. There were 22 applications for membership.

Kempeville Junior 4-H Club: Catherine Israel, president; Ruth Meisel, vice president, and Mary Bland, secretary. Mrs. D. L. Davis is the leader of this club, and Mrs. Mary Bunzy is the sponsor in the school. There were 61 applications for membership.

Kempeville Senior 4-H Club: Spivey, president; Charlotte Ann Baum, vice president; Dolores Lupton, secretary; and Edward DeFord, reporter. Mrs. R. F. Humphries is the leader of this club, and Mrs. Louise Lee is the sponsor in the school. There were 15 applications for membership.

Bayside 4-H Club: Luda Box, president; Raymond Povey, vice president; Elizabeth Rockey, secretary; Jo Ann Harmon, reporter; and Jeannette Singletary, song leader. Mrs. Noah Tice is the leader of this club, and Mrs. Margaret Fischer is the sponsor in the school. There were 58 applications for membership.

All applicants have been asked to get their enrollments in as soon as possible and all rural boys and girls who would like to get the 4-H training have been invited to participate in the 4-H Club in 1947.

CONCERT SERIES TO PRESENT METROPOLITAN OPERA QUARTET

The first concert of the new year to be given by the William and Mary Concert Series under the direction of Mrs. Cornelia Grahm Hancock will be, according to releases, "something new in entertainment."

A Metropolitan Opera ensemble, consisting of Jarmila Novotna, soprano, Hertha Glus, contralto, Raoul Jobin, tenor, and Martial Singher, baritone, will be presented in concert at the Center Theater, Norfolk, on Monday, January 27. Each number will be in costume and entire scenes from familiar works will be presented, which gives the singers an opportunity to show their gifts as actors. The Chicago Sun says of them: "Achiever the seemingly impossible and turned an operatic concert into a real artistic success."

Individual concert tickets are available and reservations may be made by calling Mrs. Cornelia Grahm Hancock at the office of the William and Mary Concert Series in the Monticello Hotel in Norfolk.

Music Club Studies Dance Forms of Greece & Egypt

The Virginia Beach Music Club met at the home of Mrs. E. R. Harden, on 38th Street, January 17th, at 3 o'clock, with Mrs. Russell Gimbart as co-hostess.

The program was dance forms of ancient classification, early Egyptian and Greek modes and their influence upon the works of other composers.

Mrs. Raymond Pritchard, program chairman, presented Mrs. Nick Willis and Miss Catherine Kontapanos, of Norfolk, and Miss Constance Kontapanos, of Virginia Beach, who illustrated the Greek dances, accompanied by recordings of Greek dance tunes.

Mrs. Louise Boyd Robinson, pianist, illustrated and defined the Greek scale and its development. Others taking part in the program were Mrs. Lowe Finley, Mrs. Maclean Simmons and Mrs. Landon Hilliard, giving legends and history of Greek music.

Mrs. Gimbart and Mrs. Harden presented the hymn "O Sacred Head Now Wounded," dating to the years 1080 to 1112 when it was translated.

At the conclusion of the program tea was served by the hostesses.

\$353,898 Spent on County Roads in 46

Richmond, Va.—Expenditure of \$353,898 for secondary road improvement in Princess Anne Co. during 1946, much of which went for the stabilization of some 50 miles of school bus routes, was announced this week by the State Highway Commission.

Work done in Princess Anne, highway officials said, was part of a record \$19,000,000 secondary road program carried out last year in line with the commission's goal of bringing the entire secondary system of the State up to an all-weather standard. Concentration on school bus and RFD routes was in accordance with a resolution of the 1946 General Assembly, calling for action to make these roads passable the year round.

Figures released for Princess Anne County showed that ten miles of road were "heavy" surfaced (receiving up to 500 tons of stabilizing material per mile); 19 miles were "light" surfaced (200 to 500 tons) and 15 miles "spot" surfaced. A total of 25,000 tons of crushed stone, sand and gravel was used on the county's secondary system during 1946.

Commenting on the work, a department spokesman said that "many miles of both primary and secondary roads remain to be improved." He added, however, that twice as much was accomplished during 1946 as in any previous year, but said that much of this went into deferred maintenance, held over from the war years. The program will be intensified this year, he explained, with the goal set at eventually completing the job of "setting Virginia out of the mud."

Other figures on the 1946 program in Princess Anne showed that more than 44 miles of secondary highway received original hard surfacing and that 33 miles of existing hard surface were re-treated.

During the year, 22 bridges on the secondary system were repaired, the department reported, and ditching operations, designed to insure more adequate drainage, were carried out for 65 miles.

Drivers Must Observe School Bus Laws

Several hundred school children of Princess Anne County are being transported to and from the public schools of the County by school buses. It is the responsibility of every citizen of the community to see that these pupils reach school and return home with the maximum amount of protection.

Special laws designed to insure the safety of these children are (1) which requires all traffic to stop at a school bus while it is taking on or discharging school children whether going in the same or opposite direction, and to remain stopped until all children are clear of the highway; (2) which requires all school buses to be equipped with a warning device to indicate to the motorists when buses are loading or unloading children on the highway.

"This device," the Department of Education explained, "is a big red, flashing light, located on the left front and rear of the bus body and motorists are required by law to obey the school bus traffic light in the same manner as a city traffic light."

Another section of the Motor Vehicle Code provides that the failure of any such bus to have or operate such traffic devices shall not relieve the operator of any motor vehicle from the duty to stop at or before passing a stopped bus while it is taking on or discharging school children.

E. P. Crockett, Jr. Opens Real Estate Offices at Beach

The north end of Virginia Beach now has a real estate broker with offices at 303 Laskin Road. Mr. E. P. Crockett, Jr., who came to the Beach with his family to make his home a year ago, has decided that there is a future in Virginia Beach real estate and intends to devote all of his time in this direction. Mr. Crockett was formerly a traveling manufacturer's agent.

This Housing Problem

Down town, Roanoke: "Well, now that you've heard about it, see my room, how do you like it as a whole?"

Up stream Visitor: "As a whole, it's pretty good, as a room not so hot!"

Named To Attend High School for Year

Oceans High School has just been notified by the Southern Association of Secondary Schools and Colleges that for the twentieth consecutive year Oceans has again been accredited. This is indeed an honor as the Southern Association is the highest accrediting organization in the South.

Oceans was first accredited by the Southern Association in 1926. There are certain definite requirements which a school must meet before it will be accredited by the Southern Association.

1. The principal must have a Master's Degree from a college which is recognized by the Southern Association.
2. The school must employ a full-time librarian.
3. The school must spend at least one dollar per pupil each year for books in the library.
4. Two-thirds of the teachers must hold degrees from colleges recognized by the Southern Association.
5. A minimum of one dollar per pupil must be spent on equipment in the Science Department.

These requirements as well as others have been met by Oceans.

Boy Scout Week Scheduled Feb. 7

The Boy Scouts of America, now numbering 1,980,000, will observe the 37th anniversary of the organization during Boy Scout Week, opening Friday, February 7 and closing Thursday, Feb. 13.

It is the nation's largest birthday celebration among young citizens and will be observed in every city, town, and village and hamlet. Initiatives plans are under way for this observance in Princess Anne County, according to George Wile, president of the local organization.

The theme of the observance is "Scouts of the World-Building for Tomorrow." Through the World Friendship Fund of voluntary units established two years ago by the Boy Scouts of America, they have given \$10,000,000 to help Boy Scouts overseas rebuild their organizations.

To give the most helpful assistance within their capacity, the Boy Scouts of America have dealt only with Scout officials overseas recognized by the International Scout Bureau in London. Already 112 shipments of Scout literature, equipment, camp supplies and other Scout materials have been sent to 33 countries.

The National Council of the Boy Scouts endorses the work of the World Friendship Fund in a resolution which says in part:

"Scouting has always been an active force in promoting better understanding and mutual good-will among the nations, and will be a stronger and more powerful influence than ever in promoting world peace."

"The Boy Scout of America is eager to help Scouts abroad rebuild Scouting and have established the World Friendship Fund for this purpose. Everyone connected with Scouting and every friend of Scouting has an opportunity through this fund to have a share in the program. The National Council is hopeful that the various World Friendship projects may become both a source of support and encouragement to Scouts abroad and an incentive to Scouts in this country."

Princess Anne Humane Association

DRIVE WILL BEGIN

FEBRUARY 1st

Won't You Help?

Many Volunteer to Help Humane Association Drive

The Princess Anne Humane Society, under the direction of Mrs. R. Lee Page, president, has completed its organization and plans for the drive for operational funds which will start February 1st. Considerable interest has been shown in the organizing of this group and from interest shown the success of the organization is assured. Letters are being mailed with requests for contributions and volunteers have offered their services to aid in the solicitation.

Mrs. Page wishes to stress the fact that this is a voluntary group of citizens who are interested in dogs, and if any dog lover is interested in aiding in the work he is requested to call Mrs. Page or Mr. Grayson Willis.

The following persons have volunteered to aid in the work of the association:

The Mesdames R. Lee Page, W. S. Wilder, Grayson Willis, Scott Hathaway, Asher Jenkins, Helen Armstrong, W. L. Murphy, Jr., Robert Johnson, Lambert R. J. Simpson, Robert Johnson, Jack U. Goode, E. C. Johnson, Dwight Morgan, Fred Ballou, Lee Parker, Floyd Dornier, also the Mesdames DeWitt, Mary Omy, and Dolly Patch and from Lynnhaven, Mrs. Jane Byer.

Among the men who have volunteered their services are Frank Shandy, W. W. Stroud, Robert Simpson, M. H. Childers, Ed. Bismuth, W. H. Hardin, Grayson Willis, R. M. Page, Carl Brown, Whit Deacons and Dave Malhot.

Seven Local Boys Enroll at St. Helena

The St. Helena Extension of the College of William and Mary at Norfolk is making preparations for a possible addition of 400 students in February. St. Helena opened its doors for the first time in September with 600 students enrolled in first year college courses in liberal arts, engineering, and pre-professional fields. All classes offered in September will be repeated again in February.

Among the students enrolled the following are from Virginia Beach: William M. Davis, Jr., Charles W. Hardin, Edward E. Nicholson, H. A. Rollins, Jr., Beckwith, W. E. East, John A. Tallaferr, and James H. Weber. All credits received at the extension are granted by the College of William and Mary and given full recognition by the American Association of Colleges and Universities. All students, certified by the International Scout Bureau in London, already 112 shipments of Scout literature, equipment, camp supplies and other Scout materials have been sent to 33 countries.

The students of St. Helena have already organized a student government, debating society, dramatic society, French club, glee club, Glee, Book club, photography club, radio club, Spanish club, a college orchestra and "S. H. K." the college newspaper.

Intramural programs in sports, principally football, are under way, and plans are in the making for inter-collegiate schedules for basketball and baseball.

OCEANA BASKETBALL

On Friday, January 24 in the Oceana Gymnasium, the Cavaliers of Oceana will face the Hawks from Portlick High School.

The attraction will be a triple-header, with the JV. Varsity teams playing at 6:00 p.m., the girls' teams at 7:00 p.m., and the Varsity game at 8:00 p.m.

Thursday, January 25 the Hawks won over the Cavaliers 21-10 and 20-10.

The following is the probable lineup for the start of the game: Grant, Caffrey, Kunkler, Kunkler, and Payne.

FAIR: "I don't quite understand what you mean when you say that I am merely process grain during distilling. Judge."

DAVE: "I don't either, Judge. Would you mind explaining?"

OLD JUDGE: "Glad to, fellow. You see, during the distilling process, only the starch is removed from the grain. The part rich in vitamins and proteins is recovered... dried... and returned to the farmers in the form of highly nutritious feed concentrates. Actual tests have shown that these distillers' dried

grains are far more nourishing than the grain in its original state."

WALT: "How do the farmers use them, Judge?"

OLD JUDGE: "They mix these premium-quality feed supplements with original grain for feeding their cattle, livestock and poultry. Doing so enables them to save as much as 20% original grain."

DAVE: "I can see now how unfounded those rumors are about distillers' wasting grain. Looks to me as if it's just the opposite."

The Virginia Beach News

Published every Friday by the Princess Anne Press, Incorporated, 126 17th Street, Virginia Beach, Virginia. Commercial and Social Printers.

All news and advertising copy should be in this office not later than Wednesday noon. Subscription \$2.00 per year in Advance Advertising Rates Upon Application

Obituaries, cards of thanks, resolutions of respect and unsolicited original poems are charged for at the rate of 20 per word each insertion, payable in advance. PHONE 208

Entered as second class matter August 7, 1935, at the post office of Virginia Beach, Va., under the act of March 3, 1879.

"THE VOICE of a majority, swaying the course of government does not insure good government except it be the voice of a well informed and well intentioned people."

JANUARY 24, 1947

Advertisement Doesn't Pay

"Printer's Ink" gives the following for businessmen to think about:

It's not funny that so many business men will get up in the morning Refresh themselves with a dose of advertised fruit salt.

Clean their teeth with an advertised tooth paste.

Shave with an advertised razor.

Yash and shave with advertised soap.

Put on an advertised hat and gloves.

Light an advertised cigarette with an advertised match.

Go to the station in an advertised motor car.

And turn down a proposal to advertise on the ground That Advertising doesn't pay.

BYRNES AND MARSHALL

No man in recent years has performed better services for his country than James Byrnes, who resigned as Secretary of State. Month after month he has been arguing in the interests of a confused World crying out loud for World peace. He has been firm and patient as Job. Naturally, he has been the center of the front with Russia and other countries, and in view of poor health he has retired.

Representing THE TRAVELERS, Hartford

Legion Auxiliary Plans Game Party

The Princess Anne County American Legion Auxiliary Unit 113 will sponsor a Game Party at the Martha Washington Hotel Tuesday, February 4th, at 8 P. M., as announced by Mrs. Louise Meyers, president, at the January meeting. Mrs. Hugh McTernan, assistant, and Mrs. Ben Wroten, were named as chairmen.

Mrs. Meyers announced that door and table prizes would be given and all wishing to make reservation should call 1109-J.

OSCARA BYRONIST CHURCH

The Rev. I. L. Llewellyn announced that Mr. Gordon E. Campbell, of Norfolk, will be the guest speaker for the service next Sunday morning. Mr. Campbell will speak on the theme, "Christ as Saviourship." A cordial invitation is extended everybody to be present.

Marshall has been loudly acclaimed and approved by all political groups in Washington. He is regarded as a worthy successor to Roosevelt because of his magnificent record as head of military affairs and as a statesman. Marshall was picked because he is able, forceful, vigorous and persistent.

Senator Vandenberg, who served with Marshall, recently made an important address in which he predicted that General Marshall would designate representatives in the State Department to carry on the battle with Molotov and others.

GOOD NEWS FOR EVERYBODY

"Sugar and spice and all things nice, that's what little girls are made of." But every good cook knows that there are a lot of other things that are made of sugar and spice—savory foods that please the appetite but many of which had to be omitted from wartime menus because those two commodities were high on the ration list.

That was only temporary, and now the future looks bright for dishes using sugar and most spices. Rumors predict an end of sugar rationing by April. With the exception of pepper, which is expected to be short for the next two to three years, spice imports have been coming through for some time. And that is good news for everyone—for food manufacturers as well as homemakers.

Real magicians, for example, which is a product of The Best Foods, Inc., depends largely on its fine vinegar blends and spices for its quality flavor. In fact this company places so much stress on the freshness of the spices used that it grinds many of them itself to be absolutely certain of retaining the maximum flavor.

Spices have one of the most romantic histories of any food product, dating from the days when they were as precious as jewels. But thank goodness those days are gone and now everyone can enjoy them.

Delegates Attend Ruritan Meeting

S. Blair Myers, R. C. Bheridge, Russell Hatchett, Frank Kellam and Linus Williams were delegates representing the Virginia Beach Ruritan at the annual convention of Ruritan National in Durham, N. C. January 20 and 21 at the Washington-Duke Hotel.

The theme of this year's convention was "The Spirit of 1947 in Community Service." The highlight of this phase of the program was a keynote address by L. T. Hall, past president of Ruritan National.

Ruritan National is composed of service clubs located in the small towns and rural communities. The clubs which hold monthly dinner meetings, while stressing fellowship and good will, have as their objective the making of the rural community and small town a better place in which to live. The various clubs guided by Ruritan National engage in every phase of community service, setting up their objectives according to the peculiar needs of the locality itself.

M. G. Bright is president of the local group which meets the first Tuesday in each month.

GEN. GRANT BUYS STOKES HOME

General David N. W. Grant, retiring Air Surgeon General, has purchased the Stokes home in Alantion and he and Mrs. Grant expect to occupy the home after extensive alterations have been completed.

General and Mrs. Grant were recent week-end guests of Major and Mrs. Tilbrook at their home in Bay Colony.

JOINS STAFF OF "BREEZE"

Doris Rice has been added to the "Breeze" staff of Madison College as a reporter. The "Breeze" is a weekly newspaper published by the students of Madison College. Miss Rice is the daughter of Mrs. Irma Rice of Virginia Beach.

PARTIES : ANNOUNCEMENTS : PERSONALS
Please or Bring Them to the News Office

Commodore and Mrs. Oscar Smith left last week to spend some time in Florida.

Steven Heaver and Robert Graven have returned to their homes in Baltimore after spending a few days with Mr. Heaver's cousin, Mrs. J. Goodenow Tyler, at her home on 22nd Street.

Mrs. Clifford Geer Richardson of Charleston, S. C. has returned to Norfolk after being the guest of Mr. and Mrs. Clarence Thompson at their home on 99th Street.

Mr. and Mrs. D. E. Rimer of Harrisburg, Pa., are spending several weeks with Dr. Mina Kerr at her home on Avenue E.

Mrs. M. W. Norfleet returned last week to her home in Winston-Salem after spending several weeks with her son-in-law and daughter Rev. and Mrs. Robert Davis, at their home on 36th street.

General and Mrs. George P. Rixey were the guests last week of Col. and Mrs. Edmund C. Waddill at their home on Avenue B. General Rixey, Chief of Chaplains, 2nd Army, was on an inspection tour of Fort Story and Fort Monroe.

Rev. Charles Carman, Jr., will return Friday to his home on 53 Street after spending a week in New York.

Mrs. J. Goodenow Tyler, Jr. and infant daughter, Jane Allen Tyler, returned Sunday from the Norfolk General Hospital to her home in Rudee Heights.

William Sloane, Jr. spent last week-end as the guest of Mr. and Mrs. John F. Winn, Jr. on Raleigh Drive.

Mrs. John Beattie has returned to Charlottesville after spending the week end at the Beach.

Mr. and Mrs. Miles Horton have returned to their home on Raleigh Drive after spending some time in Louisville, Ky.

L. Robert Farron, USMC, has returned to New River, N. C. after being the guest of Mr. and Mrs. John F. Winn at their home on Raleigh Drive.

Ensign Dawson Taylor has returned to Washington after spending the week end with his parents, Mr. and Mrs. Robert Taylor in Linkhorn Park.

Charles Gamble has returned to his home on Raleigh Drive after spending a few days in New York and Baltimore, Md.

Mrs. William Kidder and Mrs. W. A. Smith left Monday to visit Mrs. Smith's parents in Danville, Va.

Mr. and Mrs. Roy Smith have returned to their home on Ave. D after spending the week end with their daughter, Miss Ellen Love Smith, at St. Margaret's School, Tappanhanock, Va.

Misses Mina Jordan and Anne Lee Baum will spend this week end in Lynchburg where they will attend the Mid-Winter Dances at the Virginia Episcopal School.

Mrs. James M. Jordan III, and young son will return Friday to their home on 27th street after spending several weeks with Mrs. Jordan's parents, Mr. and Mrs. Frederick Schoen, at their home in Huntington, W. Va.

Mr. and Mrs. Albert Roper and two children left Sunday for W. Palm Beach, Florida to visit Mrs. Roper's mother, Mrs. Alice Hart Dall.

Mrs. Ruth Williams is visiting her son and daughter in law, Mr. and Mrs. Spencer Williams, at their home in Williamsburg, Va.

Mr. and Mrs. Walton Saunders left on Wednesday to spend several weeks in Miami, Florida.

Mrs. Preston Hix will return on Friday to her home in Bay Colony after visiting her mother, Mrs. John Coke, in Richmond, Va.

Mrs. Peyton May and daughter, Miss Ann May will leave Friday to spend the week end in Washington, D.C.

Mr. and Mrs. Don O. Bulluck of 3604 Ocean Front entertained last week at a house party for some of their friends and relatives from North Carolina.

Among the guests were J. T. Madry, Mrs. R. J. Madry, Mr. & Mrs. J. W. Madry of Scotland Neck; Mr. and Mrs. T. L. Worsley of Rocky Mount.

MARKETING with Marjorie

Hello, I'm a newcomer here, but before long I hope you'll think of me as a neighbor... the good old-fashioned kind who passes her best recipes on to you, tells you about the bargains she finds, and shares her time-and-energy saving discoveries with you. That's what I want to do, and I'm looking forward to visiting with you here often from now on.

FLAVOR FAVORITES

Good news, coffee lovers! The 3 A&P blends are plentiful again! Will my family be glad to have BOKAR back! They love its vigorous, winey flavor. Plenty of people do, but many prefer mild, mellow EIGHT O'CLOCK, and loads like rich, full-bodied RED.

CIRCLE best. They all agree on one thing, though—you can't beat A&P COFFEE for freshness and flavor! That's because it's sold in the whole bean, and Custom Ground just right for your coffee-maker. Try it today!

SPIN-SECOND SPAGHETTI

A mighty popular hurry-up meal at our house is delicious ENCORE PREPARED SPAGHETTI from the A&P. It's topped up with a zesty tomato-and-cheese sauce that tastes as if you'd spent hours making it... yet all you do is heat and eat! What a wife saver!

MASHED POTATO MAGIC

You've no idea how smooth and buttery-flavored mashed potatoes can be until you've tried making them with creamy-rich WHITE HOUSE MILK. They're extra-nourishing, too, for every pint of WHITE HOUSE contains each essential nutrient of fresh milk and 400 U.S.P. Units of vitamin D₂. It can be used in any recipe that calls for milk, so it's grand to have on hand. Get some at the A&P!

WHITE HOUSE MILK

Contains each essential nutrient of fresh milk and 400 U.S.P. Units of vitamin D₂. It can be used in any recipe that calls for milk, so it's grand to have on hand. Get some at the A&P!

WHITE HOUSE MILK

Contains each essential nutrient of fresh milk and 400 U.S.P. Units of vitamin D₂. It can be used in any recipe that calls for milk, so it's grand to have on hand. Get some at the A&P!

WHITE HOUSE MILK

Contains each essential nutrient of fresh milk and 400 U.S.P. Units of vitamin D₂. It can be used in any recipe that calls for milk, so it's grand to have on hand. Get some at the A&P!

WHITE HOUSE MILK

ASHBURN - MIDDLETOWN

Mr. and Mrs. Ralph Alfred Midgett have issued invitations to the marriage of their daughter, Geraldine, to Mr. Willard Reynolds Ashburn, Jr., on Saturday, the eighth of February at four o'clock at the First Presbyterian Church, Va. Beach and to the reception, immediately following the ceremony, at the Princess Anne Country Club.

Mr. and Mrs. H. Warfield Leake entertained Saturday afternoon from five until seven at their home on Avenue E. at a cocktail party in honor of Miss Midgett and Mr. Ashburn.

Mr. and Mrs. James M. Jordan, Jr. entertained in honor of Miss Midgett and Mr. Ashburn on Sunday at a cocktail party at their home in Bay Colony. The guests numbered thirty-five.

Mrs. Gordon Baskin entertained Wednesday afternoon at the home of her parents, Mr. and Mrs. Frank Booker on 52nd street, at a luncheon in honor of Miss Midgett. The guests numbered about thirty.

Mrs. Charles Forbes will entertain Saturday at one o'clock at her home on Pocahontas Drive at a luncheon in honor of Miss Midgett. Those invited number about twelve.

Mr. and Mrs. Leo E. Hollenbeck of 401 16th Street, announce the birth of a daughter, Judith Louise on Friday, January 17th. Mr. Hollenbeck and daughter expect to return to the Beach on Sunday January 20th from Leigh Memorial Hospital in Norfolk.

Mr. and Mrs. Charles Tanner announce the birth of a daughter, Kethley Dawson Rose, on Friday, Jan. 17 at the Stuart Circle Hospital, Richmond, Va. Mrs. Rose is the former Miss Mildred Taylor.

KODAKS

From where I sit... by Joe Marsh
Willie Goes to School at 23
 "Where I sit, Willie goes to school. They
 remember when Willie would hide
 out in the woods - scared to
 bring his report card home to Pa.
 But under the G.I. Bill of
 Rights, Willie (who has a wife and
 baby) is getting a free education
 at the Agricultural College.
 And Uncle Sam is giving him a
 fine report: "Dependent, excel-
 lent, Program, above average."
 That goes for all those under-
 graduate veterans. Like Willie, they
 appreciate an education more than
 ever now. They're industrious and
 well-behaved - their favorite be-
 verage is milk, or a temperate glass
 of beer. For them the "three R's"
 seem to mean: Responsibility, Re-
 sourcefulness, Restraint.
 From where I sit, cynical folks
 who thought veterans wouldn't
 want to return to school - wouldn't
 stick to steady habits of work and
 moderation - have their answer
 in "undergraduates" like Willie.

Vol. 22 — No. 12

VIRGINIA BEACH, VA. JANUARY 31, 1947

Single Copy 5c, \$2.00 PER YEAR

Business Association Off To Good Start Board Approves Teacher Salary Increase

The Better Business Association of Virginia Beach and Princess Anne County was organized at a meeting of representatives from 25 business concerns from all parts of the county on Friday evening in the auditorium of the Oceana High School.

The meeting was presided over by Frank Kellam of Princess Anne and the following officers were elected: Frank D. Shean, president; Kermit Land, 1st vice president; Maurice McKenney, 2nd vice president; Joseph Spruill, secretary; and Harold Freeman, treasurer.

64 Members

The organization started with a membership of 64 firms who have organized to promote better business relations with those with whom business must be transacted.

Calvin Dalby, director of public safety in Norfolk, presented the national picture of the bureau to those present. In stressing the advantages to be gained by such an organization Mr. Dalby said "The idea is not new. Better Business Bureaus are thirty years old and there are 105 organizations in the

country." Mr. Dalby further stated that the Bureau was to insure protection from frauds and swindlers and that membership is a part of civic obligation and that once founded on a secure basis would bring not as great a dollar and cents return but a better community in which to live and transact business.

Taylor Stresses Unity

Robert E. Taylor, president of the Virginia Beach Chamber of Commerce, in addressing the group said, "The Better Business Bureau is not a social organization; it is not an advertising bureau nor the Chamber of Commerce. No matter how small the store or where the location, the time has come to pull together for one objective, the bond between the County and Virginia Beach; to give customers a square deal and to conduct business in a manner to merit the confidence of those who visit the community. Too long have we gone our individual ways. Through the interchange of ideas and also through constructive criticism we hope that each of us may find out ways of improving our services." At the request of the chairman

Joseph Spruill read the newly drafted constitution of the organization which had been drawn by a committee consisting of R. B. Taylor, John H. Bell and Harold Freeman, of Virginia Beach, and Frank Kellam, of Princess Anne Court House, and Kermit Land, of Pungo. The constitution embodied the objectives previously outlined by Mr. Taylor, Mr. Dalby and Mr. Kellam, presiding over the meeting.

Board Members

Before adjournment the organization elected members to a board of directors. H. Warfield Leeke and Fred Halsestad will serve for a term of one year; Wade Konegay and Frank Kellam, for two year terms, and Lee Shelly and B. A. Carroll will continue in office for three years.

Additional committees will be appointed by the board of directors and, according to Frank Shean, president, a membership drive will be instituted in the near future.

Elsewhere in the "News" will be found a list of members at present and each week additional names will be added as members join the organization.

Kight Announces Cavalier Country Club To Be Site of State Open Gold Tilt

Proposed Fish Pier Located At 2nd St.

Plans for the erection of a quarter-mile long \$150,000 fishing and recreation pier at Virginia Beach were revealed on Monday when Roy Smith, town attorney, appeared before the Princess Anne County Board of Supervisors to ask that the western half of Second Street in Virginia Beach be closed, presumably for use in connection with the 1,500 foot structure.

Smith told the Board at its meeting in the Courthouse that Gladys S. Earl & Paul Earl, president of Consolidated Footwear Co., of Virginia Beach and Malone, N. Y., were the prospective builders of a crescent timber structure on which restaurant and other recreational and fishing facilities are planned.

Exact details as to the nature of the proposed pier could not be obtained from Mrs. Earl who is presently vacationing with her husband in Mexico. The construction cost of the structure was estimated by Smith to be in the neighborhood of \$150,000. The pier will stand 19 feet above high water mark and is similar to piers built along the Florida Coast, which according to all reports, have withstood the tropical storms of the past twenty years. He said permission of the Federal Government and of the State Fisheries Commission would be required for its erection.

The board appointed three of its members as a viewing committee to investigate Mrs. Earl's request and report its findings and recommendations at the next board meeting.

Sheriff Assailant Still At Large

The search for the Negro assailant who injured Sheriff Vaughan Tuesday afternoon, continued into the third day without results, according to a report issued by the local police department.

After tracing the man to his home and then to Portsmouth the authorities lost track of him. However, his identity is known and the search is being continued.

Vaughan's condition is reported as being slight despite a broken rib, badly cut head and body bruises.

Mrs. Floyd Dornire, Mrs. Gerald Rumble and Mrs. Arthur J. Winder have returned to their homes after spending the week end in Richmond, Va.

The Virginia State Open Golf Championship match will again be played at the Cavalier Country Club on April 19th and 20th. As far as could be learned many of the same professionals will again be on hand, among whom will be Sneed, Harper and Cruickshank, Sam Bates, pro of the Cavalier Club, and Penner Satchewell, assistant pro, who were in the amateur class for last year's match and will take part in the championship match this year.

According to an announcement made by Rufus Kight, Manager of the Cavalier Country Club, San Sneed, who holds the British Open Championship, will leave for Scotland immediately after April 29th to defend his title.

Announcement of other participants will be made at a later date when entries are received.

Red Cross Sewing Quota Short

Word from the Red Cross sewing rooms states that the sewing quota which should have been finished by January 1, 1947, is far from complete. Clothing is still desperately needed by people in Europe and the sewing rooms at Red Cross headquarters will be open every day for anyone who will volunteer to help with the work.

Miss Pearl Duty, executive secretary, requests those who have garments at home to return them to headquarters and any who will take garments home for completion may get them from the headquarters.

Delegates Return

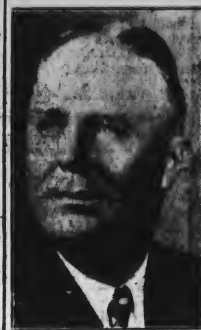

Miss Pearl Duty and Miss Mary Lou Huffaker represented the local chapter at a Red Cross meeting in Petersburg on January 24, where round table discussions were held preparatory to the fund raising campaign for 1947.

Legion Auxiliary

Mrs. Louise Meyer, president of the American Legion Auxiliary, Unit 113, states that reservations are being made for the game party to be held under the auspices of the Auxiliary at the Martha Washington Hotel, February 4 at 8 p.m.

More than 50 door and table prizes have been donated by the merchants of the Beach. This is one of two projects sponsored by the auxiliary to raise funds for child welfare work and rehabilitation of veterans and families. Reservations may be made by calling Mrs. Hugh McTernan or Mrs. Ben Wroton.

Dey Authorized To Borrow Needed Funds To Provide Immediate Raise

J. R. DEY

Upon recommendation of John R. Dey, president of the Princess Anne County School Board, the Board of Supervisors in regular meeting January 27th authorized the school board to raise all salaries of teachers in the county. Previously the teachers had requested a \$50 a month raise but upon further consideration decided to accept a raise based on the school board matching dollar-for-dollar the \$17,404 appropriated for Princess Anne County teachers by the recent special session of the State Legislature called for consideration of raising the pay of teachers in the State.

Under the plan of the school board the teachers will receive a flat raise of \$44.77 per month, or \$280 prorated over the remaining six months of this school year.

According to F. W. Cox, superintendent, plans will be formulated by the school board for apportioning next year's increases among the various teacher classifications. Thea teachers in Princess Anne County have a specific problem, Mr. Cox said, and have shown a splendid spirit of cooperation and willingness to work with the board in an effort to work out a satisfactory arrangement as to finances.

Probable Tax Raise

Sidney Kellam, county treasurer, reported that money received from property tax is the only available money for local expenditures (all other taxes are retained by the State — a condition brought about by action promulgated years ago by our senior senator when he introduced the short ballot and segregation of taxes) and that 55 per cent of the amount collected was allocated for teachers' salaries. Inasmuch as this increase in pay was not included in the budget of the past year and the tax assessments were based on the budget there were not sufficient funds available. However, the board of supervisors authorized the school board to borrow the necessary funds to meet this immediate emergency, with the probability of an increase in future property assessments after the budget for the coming year is submitted to the board.

Mr. Dey reported that Princess Anne County has at present 123 teachers on its pay roll and that with the increase in pay the salary scale of Princess Anne will be on a par with Norfolk County and that the patrons of the schools were very helpful of retaining all the good teachers now on the pay roll of the county.

East Ocean View C. of C.

Mr. Collins, heading a committee from the East Ocean View Chamber of Commerce, requested the board to give them 50 loads of dirt for fill on the community playground. The Chamber of Commerce sponsors an active program for teen-age children in the community and at no expense to the county has erected a community club, playground and equipment and other means of keeping about 60 children occupied with wholesome entertainment and exercise. An effort will be made to secure the required dirt.

The board also voted to amend a \$1,152 contract for repainting the clerk's office and court room to the Virginia Beach Decorating Company.

Powells to Manage Cavalier Stables

Kitty and Dick Powell who, since last September, have operated the Tally Ho Riding Club, are moving their horses to the Cavalier Country Club and will operate the Cavalier Saddle Club. The stables have ten horses and instruction is available for those desiring it. The Powells are members of the Princess Anne Hunt Club.

Mr. and Mrs. Powell will move February first to their new home adjacent to the Cavalier Country Club.

Ragged Robin Moved To 31st St.

The Ragged Robin Book Shop, formerly occupying the small house on Atlantic Avenue opposite the Star Store, has moved to its new quarters at 303 Laskin Road in the building occupied by the Gross Web Associates.

Miss Marda D. Sinclair is owner of the shop, having purchased it from Mr. and Mrs. McFagan in September.

The Ragged Robin is now fully equipped with a line of gifts, personalized stationery and books to sell and lend.

Humane Association Drive Starts Feb. 1

The Drive for funds for the Princess Anne Humane Association will officially get under way Saturday, February 1. Members of all committees met Thursday evening to perfect final plans for the drive. According to announcement by Grayson Willis, chairman, contributions have been received from the following residents of Princess Anne County & Virginia Beach: Mrs. W. S. Wilder, Mrs. R. Lee Page, Mrs. G. K. Willis, Whitte Sessions, Cecil G. Mears, Mrs. Jean Flower, H. A. Holt, Jr., Fred A. Haycox, Mrs. Cecil Mears, E. Humenothal, R. L. Page, Dwight Morgan, Mrs. E. R. Lambert, Mrs. Farmer Morrison, Miss Ruth Patton, Miss Becky Bowden, Herman Hudgins, Dave Malbon, Hans Strohkorb, T. J. Russell, E. M. Hardy, Clinton Curtis, F. S. Royster, Walter Jarrett, and Comdr. L. W. Parrish.

Mr. Willis asks that any one wishing to contribute may fill in the blank below and mail with donation to Box 94, Virginia Beach Company.

LAND DRAINAGE PROGRAM WILL NEED ADDITIONAL EQUIPMENT

A. E. Roach, chairman, and H. W. Ozlin, secretary of the Virginia Dare Soil Conservation Commission, reported at a meeting last week that drainage of farmlands in Princess Anne and Norfolk counties will be the main project for the coming year. In their first annual report they noted that delivery of equipment purchased by Norfolk County would partially fill a serious need of district drainage equipment.

The report also revealed that since drainage work was commenced in the two-county district in May, "there have been several community drainage projects surveyed, affecting approximately 200 farmers and about 20,000 acres of farmland.... The length of the main drainage canals surveyed in these projects amounted to a little more than 30 miles. Two of the main drainage canals have been completed for a total length of 4.9 miles and have benefited about 3,000 acres of farmland and 15 individual farmers. In digging these canals, approximately 65,000 cubic yards of dirt was excavated."

13 Farms Surveyed

In addition to the community projects, Roach and Ozlin said, "13 individual farms have been surveyed for drainage work, and

two of them have been completed. On the individual farms, 1.1 miles of main drainage ditches were opened up with a drag line and 12.5 miles of lateral ditches excavated....

"Also, preliminary plans have been partially prepared for three additional community projects and about 12 applications are on file for drainage work on individual farms."

"Because of the demand upon the two engineers for drainage work, the conservation district's board of supervisors has authorized them to give all their time to such projects. Therefore," the report said, "they have not had an opportunity to work up any farm plans. The board felt that the drainage work was the most important thing that could be done in the district; at the present time."

Personnel Lacking

The greatest handicap to the work in the district, Mr. Ozlin said, has been the lack of personnel and the many changes of men appointed. It is felt by the board of supervisors that if the State Soil Conservation Service could leave a man in the district long enough to become familiar with the peculiar problems that he could render a much better service. The board of supervisors also feels that additional personnel could render a much greater service to the community.

Equipment Lacking

Mr. Ozlin further stated that, without the proper equipment the local authorities were completely at the mercy of contractors who could name their own prices for the use of machinery. Norfolk County has some equipment, however, this can be used only in Norfolk County and the Princess Anne district is still in need.

Full Program

While drainage now is receiving full attention of the district engineers, the board of supervisors' program also includes:

1. Conservation of soil and natural resources, including systematic drainage of woodland, proper classification and pasture improvement work.
2. Soil improvement, including more winter cover crops, crop rotation, proper fertilization, proper use of lime and other minerals, and utilization of crop residue.
3. Crop improvement, including properly adapted varieties, development of new varieties and fertilization to suit the particular crop.

GALILEE AUXILIARY

The regular monthly meeting of the Woman's Auxiliary of Galilee Church will be held on Tuesday, the 4th of February in the Parish House.

Civic League Formed At South End of Beach

More than 100 residents of the section of Virginia Beach lying south of 17th Street met at the W. T. Cooke School on Monday evening and formed a Civic League which will be called the "South Virginia Beach Civic League." The League will function as an organization to stimulate interest and encourage civic pride in this particular section of the Beach.

Mrs. Frank Klepper acted as temporary chairman of the meeting and the following officers were elected: Rev. G. T. Forester, president; J. W. Bright, vice president, and Mrs. Frank Klepper, secretary and treasurer. Each officer will serve only one year and will not be permitted to succeed himself in office.

Constitution To Be Drawn

A committee headed by Joseph F. Siebert and consisting of Ernest N. Allen, C. H. Driskill, Mrs. J. W. Bright and Mrs. L. C. Malory was appointed to draw up a constitution and by-laws.

The Rev. Forester, president, was selected to appear before the next town council meeting on February 3rd relative to the placing of the proposed gas plant at the south end of the Beach.

Meetings will be held the third Monday of each month and all residents of the south end of the Beach are invited to join.

The president will appoint two members each month to attend the monthly meetings of the town council.

SEWAGE DISPOSAL

Virginia Beach Sewage Disposal Plant, built by the Town of Virginia Beach in 1938 with the assistance of a WPA grant. It is outstanding in that it was the first plant in the Hampton Roads

area where a large program for the treatment and disposal of sewage is now in progress.

During the War period this plant not only took care of the heavy load caused by the wartime population, but the adjacent Fort

Story and Camp Pendleton as well.

Wiley & Wilson were the Engineers and the Tidewater Construction Corporation the General Contractors.

"THE VOICE of a majority, saying the course of government does not insure good government except it be the voice of a well informed and well intentioned people."

JANUARY 31, 1947

TEACHER CLASSIFICATION

If your child is ill you call a doctor, not just any doctor. If he is the family physician he is the one in whom you can have confidence, the one you have selected because you feel he has had the training — who is an expert. If his services are not available would you call in some one who perhaps attended medical school for a year and then dropped out? By no means.

What about the minds and character of your children? Should parents not be equally concerned about the mental welfare of their children as well as the physical.

Children now in our schools are going to need the best possible education to meet the problems of their day. Education in general is suffering at the hands of many unqualified substitute teachers. Many children are trying to learn algebra or science or history from teachers who do not know their subjects, who do not know how to manage children. Many children in our own county are being confronted with a confusing succession of different teachers.

Princess Anne County has numbers of excellent teachers. It has a superintendent and a school board earnestly seeking to better the conditions in the schools of the county. A blanket raise of salaries has been agreed upon. This is a big step in the right direction to provide trained teachers, requirements and standards set by the State Board of Education are adhered to.

In the State of Virginia there are about 1,000 teachers in public schools who have only a certificate or a permit to teach. Princess Anne parents do not want their taxes raised to pay for this kind of instruction for their children.

One may ask "What can we do to improve our schools?"

1. Inform yourselves about the existing conditions.

2. Concern yourself about these conditions.

3. Go into action about these conditions.

Back your school board 100% with confidence and cooperation. Insist that only qualified teachers be employed and if additional taxes are necessary to achieve this end, pay them willingly. The expert teacher deserves every consideration. The children deserve only the best.

THE SADDEST NEWS

TO OUR EARS

All kinds of news comes to a newspaper office but the saddest to reach us in some years is the story from the paper manufacturer and the paper houses. "Sorry, we can't promise shipment on newsprint. Better conserve all you now have on hand."

This double-barrelled shot makes a sheet of news print literally worth its weight in gold. If you get a VIRGINIA BEACH NEWS with some of its pages ripple finished, it is because we are using sheets we would normally discard because of wrinkles in packaging.

Even OPA has allowed an increase of \$17 per ton since last August the mills are not responding as expected. Also the big dailies who waste tons of paper a week and who care little what print costs due to tremendous profits, are buying mills, thus cutting off weekly and small daily papers from the source of supply.

With the tremendous loss of tonnage starting us in the face we wish to make it clear that it is possible and probable that sub-

scriptions will be limited both as to number and some before the flowers bloom in the spring. It is natural that the first place we will cut unpaid subscriptions. If you wish your paper to continue check with the office and find out how you stand. Notification of expiration date will be sent subscriber and we would appreciate a response of either "Yes" or "No".

We intend to protect our advertisement.

holders by keeping our mailing list in this trade territory and if it becomes necessary to ration the NEWS local people will be favored.

Play safe. If you want the Virginia Beach News during the coming year get in the list now or pay up the old subscription.

Phone Virginia Beach 282 and we will be glad to give you the expiration date of your subscription.

Withholding Tax

THERE SHOULD BE TAX CUTS

It is pretty hard to understand how most of the small businessmen of the country are able to find enough money left over, after their normal expenses are paid, to pay their income taxes. The rates are terrific—they are unreasonable. When businessmen get in a

hole like our Government they cut down expenses. But Uncle Sam allows off millions regularly, and keeps right on spending billions to help other countries all over the world.

The Commerce Department recently asked for a cut of 20 percent in income taxes for small businesses. It also proposed that

dividends be exempted from the basic income tax rate on the ground that the corporations themselves pay taxes on their earnings.

And, your Washington correspondent repeats that there is no hope for any substantial reduction in income taxes for a long time to come.

THE OLD JUDGE SAYS...

OLD JUDGE: "Treating an alcoholic, Paul, takes patience just like in fishing. What people have got to learn is that the alcoholic is a sick person, and that it takes patience and skill to correct the underlying causes of the disease."

ROGER: "Where I come from, Judge, all they ever do with alcoholics is throw them in jail, and keep them there 'til they sober up."

OLD JUDGE: "It's too bad, but that's what they do in a lot of places. And it's just a waste of the taxpayers' money. Medical and social scientists have been studying alcoholism very thoroughly the past few years, and they know now that most problem

drinkers are suffering from some deep-rooted mental or physical condition that makes them incapable of dealing with life without some sort of crutch to lean on."

PAUL: "If it wasn't alcohol, I suppose it might be something worse, eh Judge?"

OLD JUDGE: "Exactly. But in more and more enlightened communities today they're providing special clinics for the study and treatment of alcoholics. So we're beginning to make some real scientific progress."

ROGER: "I'm glad to know about that, Judge. Sounds to me like the only intelligent way to tackle this problem."

You can't make Apple Sauce from automobiles—

REMEMBER the old story? Where the teacher said: "Jimmy, how would you divide three apples among four people?" And Jimmy answered: "Make apple sauce!"

We wish Jimmy could solve our problem that easily. We've done our best to keep production up and prices down... delivering thousands of 1946 Fords. But we still have unfilled orders for over a million more.

You know the reason for the lag in filling those orders... the labor shortages, the material shortages, and all those other hitches in getting back to normal.

That doesn't leave us many apples to divide. And as fair and square as we try to be, we just can't make apple sauce from automobiles. But what we can do is tell you what a great Ford you've got coming up in your future.

And while you're waiting, one other thing we can do is urge you to let us keep an eye on your present Ford to protect your safety, comfort and investment.

Your Ford Dealer

WE REALIZE... that the present abnormal demand for automobiles will not last forever; that the day will come when WE SHALL BE KNOCKING AT YOUR DOOR asking for business. Therefore, as in the past, we are endeavoring to so conduct our business that we may always merit your confidence and respect.

ALCOHOLICS ANONIMOUS TO HOLD OPEN MEETING AT LOCAL U. S. O. CLUB

The Virginia Beach group of Alcoholics Anonymous will hold their first open meeting on Wednesday evening, February 5, in the U. S. O. Auditorium at 18th St. and Arctic Ave. The meeting will start promptly at 8:00 p.m. with an address of welcome by Mayor H. Warfield Leeke.

The group has been functioning locally for the past three months with closed meetings for alcoholics only.

The main purpose of this open meeting is to acquaint the general public with the workings of "A.A." popularly so-called. A.A. has re-

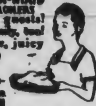

ceived wide publicity during the past few months in the nation's leading newspapers, magazines, motion pictures and on many radio stations regarding its remarkable success in combating alcoholism — the nation's fourth national health problem. Most every one has either read or has heard something of A.A. but very few know how and why it actually works. This will be well explained in a most interesting manner on Wednesday, by a man who is probably the foremost A.A. speaker in America today. His name is purposely omitted to conform with the A.A. policy of anonymity.

There will be no charge and you are cordially invited to attend.

Anyone desiring further information may write: Alcoholics Anonymous, P.O. Box 222, Virginia Beach, Virginia.

THE WISE HOSTESS SERVES WITH-STAID

Please your guests! Treat the family, too! Serve tender, juicy WITH-STAID chicken fried to a delicious golden brown. They'll say it's the best chicken they ever ate. Order WITH-STAID chickens. They are available, freshly killed, every day of the week.

Mock Wedding

The regular monthly meeting of the Parent-Teacher Association of Oceana High School was held Tuesday, January 23 at 8:15 p.m. in the school auditorium.

Reports from various committees were read. Mrs. Charles Hinchings gave an excellent report of the Tom Thumb Wedding. After all expenses had been paid the committee reported that over nine hundred dollars had been made.

Mrs. Davis accompanied by Mrs. Hinchings at the piano, rendered two vocal selections.

The next meeting of the association will be held on Tuesday, February 18, at 8:00 p.m.

Dean Appoints

Forest Warden In Princess Anne Co.

According to an announcement by State Forester George W. Dunn of Charlottesville, F. R. Reader, of Lynnhaven, is soon to become the forest warden of Princess Anne County.

PEOPLE ARE ASKING THESE QUESTIONS ABOUT ARMY ENLISTMENT

Q. What educational benefits do I get under the GI Bill of Rights?

A. If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1946, and the date of termination of the present war, or you are discharged because of an actual service-incurred injury or disability incurred within that first 90-day period of service, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three, prior to the termination of the war, entitles you to another month of post-service education, up to 48 months.

Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$65 a month living allowance; \$90 a month if you have dependents.

Q. What about family allowances?

A. For men enlisting or reenlisting now, family allowances will continue until six months after the war is officially ended.

Q. What are my chances of going overseas?

A. If you enlist for 3 years, you may select to serve in any overseas theater which has openings, especially Japan or Korea.

Q. Can I still choose the branch of service I want to serve in?

A. Yes. You can pick any branch which has quotas to be filled, if you enlist for 3 years.

Q. Is there any way I can enlist in my old grade?

A. Yes, you can, if you reenlist for a 3-year term within 30 days after your honorable discharge.

Q. Is there any other way I can enlist in my old grade?

A. Yes, if you hold one of certain military occupational specialties, and were discharged on or after May 12, 1945, you can reenlist in a grade depending on the length of time you held the desired M.O.S.

Miss Ellen Love Smith will return Saturday from St. Margaret's School, Tappahannock, Va. to her home on Avenue D.

Jest Nonsense

By NOT BLISS

Even if opportunity knocked the door down, some people wouldn't be interested.

Adversity is the only scale that gives us the correct weight of our friends.

People who tell lies may be partly insane—but what about those that believe them?

A lot has been accomplished in improving automobiles. The thing now is to improve the people who drive them.

Making new mistakes is not as bad as making the old ones over.

Marriage is quite an institution, but then so is SING SING.

Troubles seem to multiply a lot faster than they subtract.

When man discovers she's a cat instead of the "little kitten" he married, the honeymoon is over.

The who wait for opportunity to knock probably knock themselves out of a lot of opportunity.

The average man can't stand prosperity, we are told, which is why he remains average.

Dear Jest:
If you'd rather be doing some thing else—you'll never get along in your work.

Ben A. Round.

TOP QUALITY gets FIRST CALL

No date has been set for the wedding.

Harold and A. R. Sydnor, Jr. of Montclair, N. J. are visiting their parents, Mr. and Mrs. A. R. Sydnor, at their home on 36th St.

Mr. and Mrs. Grover Baker will return Sunday to their home on 118th St. after spending several weeks visiting Mrs. Baker's parents, Mr. and Mrs. Albert Wharton, in Charlotte Amalie, St. Thomas, V. I.

"Those shoes are too narrow and too pointed," said the customer.

"Oh," said the salesman. "but they are wearing narrow, pointed shoes this season."

"That may be," answered the suffering gentleman, "but unfortunately, I am still wearing my last season's feet."

Legals

VIRGINIA:

In the Clerk's Office of the Circuit Court of Princess Anne County on the 24th day of January, 1947.

COMMONWEALTH OF VIRGINIA, Complainant,

VS. IN CHANCERY

HENRY GRIMSTEAD, or if he be dead, his heir-in-law and devisee, whose names are unknown, and any lien creditor of any of the parties mentioned herein, if any there be, and all other persons who are, or may be interested in the subject matter to be sold or disposed of in this suit, whose names are unknown, all of which unknown parties are proceeded against by the general description of "PARTIES UNKNOWN", and F. E. KELLAM, TRUSTEE, Defendants.

The object of the above styled suit is for the plaintiff to subject the following real estate, situated in Princess Anne County, Virginia to the lien for taxes due the said County on the following described property:

All that certain tract, piece or parcel of land, situate, lying and being in the Seaboard Magistral District of Princess Anne County, Virginia, and being a part of the Alfred Moore farm and described as follows:

Beginning at a post on the road that divides the Moore farm from Mrs. David Malbone, running down the center of a ditch thru the field and along a line of marked trees in the woods, S. 29 W. 4-27 to a marked pine and oak a corner Grimstead and Moore, thence S 68 E. 96 oak S 67 E 6.58 beech S. 69 8.22 gum S. 19 1/4 W. 9.50 gum, S. 65 W 70 pine corner Grimstead & Woodhouse, thence S. 79 E 1.10 beech S 79 E 13.8 beech S 79 E 3.32 gum S 73 E 56 Holly S 75 1/2 E 4.34 gum S 89 1/2 E 2.34 persimmon S 84 E 10.20 oak a corner Grimstead and Morrisette N 28 1/2 E 3.29 oak, N 20 1/4 W 4.13 holly N 8 1/2 E 2.00 beech N 4 1/2 E 7.40 gum N 7 E 2.58 beech stump N 7 1/2 E 5.58 gum N 16 E 9.40 beech N 2 1/2 W 3.63 beech N 5.73 pine near the road; thence along the road N 60 W 18.40 to the beginning, containing 138 7/10 acres; and being the same property conveyed to Henry Grimstead by deed of Virgilus J. Moore, unmarried, et als, dated November 6, 1899, an duly recorded in the Clerk's Office of the Circuit Court of Princess Anne County, Virginia, in Deed Book 69, page 43, which property is owned by the above named Henry Grimstead.

AND affidavit having been made according to law, that Henry Grimstead is not a resident of the State of Virginia, and that his last post office address is unknown, an dif he be dead, his heir-at-law and devisees are not residents of the State of Virginia and are unknown, and that any lien creditors of the party mentioned herein or his heir or assigns, if any there be, whose names are unknown, are not residents of the State of Virginia and that their last post office addresses are unknown, and that there are or may be other parties who are or maybe interested in the subject matter to be sold or disposed of in this suit whose names are unknown, all of which unknown parties are proceeded against by the general description of "Parties Unknown", it is ordered that they do appear in the Clerk's Office of our said Court within ten days after due publication hereof and do all things necessary to protect their interests. It is further ordered that a

copy of his order be published in two (2) successive weeks, and the Virginia Beach News, a newspaper published in the County of Princess Anne, once a week for said Court's nor before the next

succeeding Rule Day.

WHEN IT'S PAY DAY ON THE N & W

How the average N. & W. employee dollar is spent. Source: U. S. Depart. ment of Labor.

Category	Percentage
FOOD	44.4
HOUSING AND MAINTENANCE	29.3
CLOTHING	12.3
MISC.	14.0

Pay Day means a lot to employees in any industry . . . and it means a lot to the communities in which industry is located.

The Norfolk and Western likes to feel that the payroll dollars of its employees are a substantial factor in the progress and business life of the communities along this railroad.

In 1946, the N. & W. paid its workers approximately \$62,800,000 in wages and salaries (compared to about \$32,500,000 in 1939). These payroll dollars rang cash registers along every main street on the railroad. Norfolk and Western employees spend their earnings in their home towns — for food, rent, clothing, automobiles, radios and other necessities and luxuries of life. A part of their payroll dollars go to local churches and charitable organizations. They invest in local real estate and buy insurance; save with local banks; and contribute to the upkeep of schools and other necessary local governmental functions.

Yes, N. & W. employee payroll dollars are community dollars. And the Norfolk and Western takes pride in the fact that N. & W. families are good, solid citizens of the communities in which they live.

Many N. & W. families are home-owners.

N. & W. employees are regular depositors in local banks. N. & W. employees' credit is usually good.

Retail merchants and dealers count upon the dependable buying power of N. & W. employees. This year, they will spend large sums from savings for durable goods.

About 40 cents of every N. & W. payroll dollar is spent for food.

Nobody ever made a law that'll prevent a man from makin' a fool of himself.

About the only thing the modern girl can cook as good as her mother is some man's gobble.

From where I sit... by Joe Marsh

Sam Hackney Reports on the U.S.A.

Sam Hackney and the missus just returned from a trailer trip around the country. They're tired, and glad to be home, but mighty impressed with what they saw.

As Sam reports—every section has something different; a different way of talking; different tastes in food and drink; different laws and customs. But bigger than all these differences is the American spirit of tolerance that lets us live together in united peace.

"Of course," says Sam, "you run into intolerance from time to

time. Individuals who criticize another's right to speak his mind; enjoy a glass of beer; or work at any trade he chooses. But those are the exceptions—and we're even tolerant of them!"

From where I sit, more of us ought to make a trip like the Hackneys—to realize firsthand how America is bigger than its many differences... how tolerance of those differences is the very thing that makes us strong.

Joe Marsh

Oceana Methodist

The Rev. I. L. Llewellyn, pastor of the Oceana Methodist Church, announces that the month of Feb. has been designated as "Loyalty Month" for the Church. This observance is a phase of the Christian stewardship emphasis of the crusade for Christ. The Church has set its goal, "Every Resident Member Present; Every Sunday in February" unless Providentially prevented.

The following calendar has been arranged for the month: Feb. 9th "Youth Sunday" Feb. 16th "Family Sunday" Feb. 23rd "Guest Sunday"

Loyalty crusade cards have been sent each member, these to be signed and returned each Sunday as designated. An attractive "Certificate of Loyalty" suitable for framing will be presented all who attend every service during the month.

In addition to an appropriate message by the pastor, the choir will render special music each Sunday under the direction of Mrs. Noda Llewellyn. A cordial invitation is extended all to attend these services.

later merged into a divorce a vinculo matrimonii, upon the ground of desertion, from the defendant, Mary Delores Smith. An affidavit having been made according to law that Mary Delores Smith is not a resident of the state of Virginia and that her last known Post Office address is 931 Jack Street, Brooklyn, Baltimore 25, Maryland, it is ordered that she appear in the Clerk's Office of the said Court within ten days to protect her interest; and it is further ordered that a copy of this order be forwarded the defendant at her last known address and be published in the Virginia Beach News, a newspaper published in the County of Princess Anne, once a week for four weeks, and that a copy be posted at the front door of the Court House of the said Court on or before the next succeeding rule day.

NEW DELIVERY SERVICE
Our Policy —
To handle quality merchandise — **KNOWN BRANDS**
take the GAMBLE out of buying.
To Carry a sufficiently large stock to enable us to fill
your demands — You expect to get what you want when you
want it.
To Handle **HIGHEST QUALITY** meats, expertly pre-
pared. — Mr. Steve Brothers who is well known in this locality
will take a personal interest in your every order.
To do our best to show our earnest and sincere apprecia-
tion for any business you choose to give us.
Now — Delivery is expensive, maybe more so than you
think (wear and tear on costly equipment, Salaries, every type
of insurance, tires, gas, oil, license and many other items —
and automotive equipment is scarce.
So — We have contracted this service at **NO ADDITION-
AL COST** to you on orders of \$2.00 minimum. On orders of
under \$2.00 we will add 20 cents delivery charge.
Schedule — 31st Street and North 2:00 p.m. — South of
31st Street 10:00 a.m.
